

DISARMAMENT IS IN QUIESCENT STATE

WAITING FOR JAPAN TO MAKE UP MIND AS TO DISCUSSION

Officials Believe That Country Will Eventually Join With Other Powers—League Of Nations Proceeds With Its Work—Former Japanese Minister Talks

(By The Associated Press)
WASHINGTON, July 16.—Diplomatic preliminaries to the disarmament conference went into a period of quiescence today while Japan deliberated whether to consent to the broad discussion of Far Eastern problems considered essential by this government if a serious disarmament effort is to be attempted.

So far as could be learned no word had come to the state department today in response to the informal explanation made to Japan yesterday relative to the probable scope of the conference.

Officials, however, made no secret of their continued confidence that Japan eventually would join Great Britain, France, Italy and China in accepting full participation in the discussions.

APPOINTMENTS EXPECTED TO BE ANNOUNCED

**Believed Small Will
Make Them Known
This Week**

(By The Associated Press)

SPRINGFIELD, Ill., July 16.—Announcement of new appointments to state jobs, withheld during the grand jury investigation of the state treasury, will probably be made by Governor Small next week when the inquiry ends. Many important state positions are still to be filled by political appointees of the administration.

Altho he has not given any indication of being greatly disturbed by the treasury probe which involves his term as state treasurer from 1915 to 1917, Governor Small has maintained virtual silence since the inquiry began.

Appointments early this month had been expected until the investigation by the grand jury called at the instance of Attorney General Brundage and State's Attorney Mortimer pushed all other political matters into the background.

Confers With Thompson Leaders.
With the adjournment of the legislature Governor Small conferred in Chicago with leaders of the Thompson machine and it was believed that selections for some of the important state jobs had been made. The governor had not returned from his Chicago conferences and a brief rest at his Kankakee home when the call for grand jury was announced a week ago.

When the inquiry is resumed next week State Treasurer Miller will be recalled for additional testimony it was reported to-night. Several other witnesses will be summoned next week, it was said.

Persons in close touch with the investigation indicated that the jury will be ready to ballot shortly after resuming the investigation next Wednesday.

SUBDUE WAR TALK

SAYS JAP STATESMAN

CHICAGO, July 16.—War between the United States and Japan is not within the vision of the intelligent peoples of those two countries, Viscount Tadashiro Inouye, member of Japan's house of peers, declared today on his arrival from Lisbon, Portugal, where he attended the recent international parliamentary conference of commerce. He is now on his way back to Japan.

"Subdue war talk and war between your country and mine will not occur," he said. "The Japanese government, I believe, and the people, I am sure would welcome a reduction of total armament. We are burdened by taxation. Comparatively speaking, we would benefit by a disarmament program even more than the United States."

BRIGADIER GENERAL

ROBERTS IS DEAD

Ossining, N. Y., July 16.—Brig. Gen. Benjamin Kearney Roberts, U. S. A., retired, died here today after a brief illness at the age of 74 years.

SHIPPING BOARD MAY TAKE STEPS TO REFIT LINER

**Giant Liner Leviathan
May be Put in Service or Sold**

(By The Associated Press)

NEW YORK, July 16.—The Giant Liner Leviathan which has been idle at her pier in Hoboken for two years costing the taxpayers \$45,000 a month for upkeep, will be ordered reconditioned, salvaged or sold within the next month. This was announced today by Chairman Lasker of the shipping board, after he had inspected the former German Liner Vaterland which was seized during the war and converted into an American troop ship.

If it is decided to refit the 54,000 ton steamer and put her on the seas again as a first class passenger liner, the cost probably would be \$12,000,000 experts told Mr. Lasker. She would be converted into an oil burner and made ready for service by February 1923.

The cost of building and refitting a ship of the same size today would be in the neighborhood of \$30,000,000, it was estimated.

Could Put to Sea in 24 Hours.
Mr. Lasker, who was accompanied on his trip of inspection by a number of shipping board and steamship officials, said the steamer was in good condition moored in deep water. The machinery was in perfect order and if necessary, she could put to sea in 24 hours.

P. A. S. Franklin, president of the International Mercantile Marine, who was a member of the inspecting party, said his corporation had an agreement with the shipping board to operate the Leviathan for five years if the government decided upon reconditioning her.

Asked if this meant the steamer would fly the British flag, Mr. Franklin said:
"It most emphatically does not. It means she will be under the American flag and the nucleus of a fast American mail service."

Mr. Lasker, when asked if the shipping board had a complete title to the vessel said:
"While we have not yet settled with Germany for her, I believe that is a matter easily overcome."

ILLNESS OF COUNSEL MAY POSTPONE SUIT

YONKERS, N. Y., July 16.—

John F. Brennan, counsel for Mrs. Anne U. Stillman in the divorce action brought by her husband, James A. Stillman, New York banker, is suffering from pneumonia and will be confined to his bed for more than a month, it was said tonight after a conference of physicians at his home here. He is 70 years old.

Grave fears are felt by close associates of the attorney because of his advanced age although the physician's announcement said his chances of recovery were favorable. His illness will delay further hearings in the Stillman case, which were set for July 27. It is now thought the case will not be resumed before September.

FATHER AND DAUGHTER DROWN

Lincoln, Neb., July 16.—

News was received here today of the drowning yesterday at Chambers in northwest Nebraska of Professor John H. Voss and his daughter, Gertrude while boating in a lake. The bodies were recovered by the University of Nebraska and for several years held the chair of modern languages in the University of Oklahoma. The past year he held a similar position in Carthage College, Carthage, Ill.

POLICE WILL USE ARMORED AUTOS

San Francisco, Cal., July 16.—

An armored automobile, equipped with two machine guns and protected by steel, one and a half inches thick, is to be used by San Francisco police officers in operating against thieves who work from automobiles. Chief of Police Daniel O'Brien announced today. The armored cars will be in operation within fifteen days and will be a permanent addition to police department's equipment. It will carry a crew of four or five men.

HOW THEY DO IT IN WYOMING

Evanston, Wyo., July 16.—Miss Mae Fife of this city, fell with force when she fainted today that her jaws were dislocated. She was unconscious several hours.

Condensed Telegraphic News

(By The Associated Press)

FORT WORTH, Texas, July 16.

Coal miners of Texas today rejected a proposed wage reduction and a conference of miners and operators adjourned. Rejection of the terms, operators said, would prevent reopening of the mines which have been closed since March.

ST. JOSEPH, Mo., July 16.

George Myers, a young farmer living near Rushville, this county, was murdered in his home early today by an unknown man, who drove Myers' wife from the house and set fire to it. Myers was shot in the head. Bloodhounds have been sent for and hundreds of farmers are searching for the murderer.

DES MOINES, Ia., July 16.

Dante M. Pierce, publisher of the Iowa Homestead, was purchased by the News-Telegraph, an afternoon daily newspaper at Atlantic, Iowa, and will take possession August 1. It was announced today. The News-Telegraph is one of the oldest daily papers in Western Iowa, having been established in 1897 by Lafayette Young.

DES MOINES, Iowa, July 16.

Mrs. N. E. Kendall, wife of the governor, was taken to a local hospital today suffering from acute appendicitis. Just as soon as her condition permits an operation will be performed, her physician stated.

FARGO, N. D., July 16.

More than half the signatures required to insure a recall against Gov. Lynn J. Frazier, Attorney General Lemke and John Hagen, commissioner of agriculture and labor, have been reported to the headquarters of the Independent Voters' association. It was announced today. Petitions filed and tabulated in the Fargo headquarters contained 45,935 signatures at noon. Eighty thousand signatures are required.

COVINGTON, Ind., July 16.

Three people were killed this morning when a west bound Big Four passenger train struck an automobile at "Deadman's Crossing," two miles west of here. Mr. and Mrs. James W. Craig of Harvey, Ill., and an unidentified man were killed and the four year old Craig child escaped with only slight bruises. Craig and the unidentified man died at a Danville hospital and Mrs. Craig died in an ambulance on her way to Danville.

PROPOSAL MADE BY DE VALERA IS CLOSELY GUARDED

Believed Round Table Conference Will be Held Next Tuesday

(By The Associated Press)

LONDON, July 16.—Eamonn DeValera's proposal and the nature of Sir James Craig's conversations with Premier Lloyd George remain closely guarded secrets.

There was no conference between the British prime minister and the Irish Republican leader today. Mr. DeValera will visit Mr. Lloyd George probably Monday afternoon and in some quarters it is predicted that a round table conference may be held Tuesday. This however, is only indicative of the hopeful feeling generally prevailing regarding the progress of the negotiations for an Irish settlement.

THE SINN FEIN DELEGATES

were this evening by Desmond Fitzgerald, Sinn Fein minister of propaganda, who has just been released from an internment camp. The delegates will remain in London for the week-end, exchanging visits with Irish sympathizers.

Usterites on Scene

Three members of the Ulster cabinet, H. M. Pollock, E. A. Archdale, and U. M. Andrews, together with the secretary, Col. Spender, also arrived in London this afternoon and joined the Marquis of Londonderry who holds the post of minister of education in North Ireland. They conferred with the Ulster Premier tonight in preparation for the meeting of Sir James Craig with Premier Lloyd George after the latter's return from Chequers Court Monday.

GENERAL HERRERA

HAS SURRENDERED

Tampico, July 16.—General Daniel Martinez Herrera, who recently started an uprising in the state of Tamaulipas, surrendered today after a conference over the telephone with General Gomez, military commander here. Surrender was unconditional, and General Herrera is to retire from the service after disarmament.

INDIANAPOLIS, Ind., July 16.

President John L. Lewis of the United Mine Workers of America, in a statement issued here today, declared David Robb and other representatives of the union had been "ordered by the state military authorities" to leave West Virginia, where a strike has been in progress some time, and he added that the "union will afford every possible protection and assistance to the men."

AURORA, Ill., July 16.

William Reese, 15 years old, was drowned last night at the lake at Mooseheart, Ill., where the headquarters of the Loyal Order of Moose and its vocational school for dependent children of deceased Moose are located. The Reese boy's home is at St. Joseph, Mo., but his mother is now living at Media, Ill. The drowning is the first that has occurred in this lake since the establishment of Mooseheart.

CHICAGO, July 16.

Judge K. M. Landis, arbiter in the Chicago building trades wage controversy, will submit his decision next Thursday or Friday, he indicated today. This will settle all disputes for a year and open about \$5,000,000 in tentative construction work, held up pending a decision. The greatest interest hinges on the clause regarding working conditions. All trades have agreed to abide by the decision.

INDIANAPOLIS, Ind., July 16.

Participation of individual local American Legion posts in projects of community and civic welfare will be fostered and aided by a new department of the American Legion to be known as the department of national post activities, created at national headquarters here today. John J. Noll, formerly of Parsons, Kans., assistant director of the national organization, will head the new department with headquarters here.

GREEN BAY, Wis., July 16.

Three bandits robbed the State Bank of Wabeno, Friday afternoon, securing \$5,000 in cash and \$22,000 in liberty bonds, according to a telephone message received here early this morning. The bandits, it was said, locked Cashier Roswell Richardson and Assistant Cashier Myrtle Graton in the bank vault. They were rescued half an hour later by occupants of an office on the floor above the bank.

ARMY OFFICER IS FOUND GUILTY BY COURT MARTIAL

**Captain Beverly Grayson
Chew is Sentenced to Prison**

(By The Associated Press)

NEW YORK, July 16.—After the longest court martial proceedings on record at Governors Island, Captain Beverly Grayson Chew of Washington, D. C., was convicted tonight of conduct unbecoming to an officer, forgery and impersonation of fellow officers. He was sentenced to dismissal from the service and seven years at hard labor in a military prison to be designated later.

The trial consumed eight weeks. Every effort was made by defense to prove that the accused officer was insane as a result of gas and wounds received in France and that he was not responsible for his acts when in October, 1920, he visited Washington, Baltimore and other cities with a woman, registering at prominent hotels in the names of fellow officers and forging their signatures to checks.

The captain will retain his status in the service, it was said at Governor's Island until the case has been reviewed and findings actually acted upon by officials in Washington.

WILL PROSECUTE ALLEGED KIDNAPERS

Girard, Kans., July 16.—

Kate Richards O'Hare, widely known lecturer and writer, who was kidnapped the afternoon of July 1, last, from the home of her sponsor in Twin Falls, Idaho, after lectures by her and others had been announced for that evening, has employed Jake I. Sheppard of Fort Scott as her attorney and announced tonight that Mrs. O'Hare will prosecute the case against the eleven men who are said to have abducted her.

FIRST DEATH FROM INFANTILE PARALYSIS

Springfield, Ill., July 16.—The first fatality from the present epidemic of infantile paralysis in Springfield occurred today with the death of Hugh Scott Castles, aged ten. A dozen cases have developed within the past week, it was reported.

PROMPT ACTION IS BELIEVED TO HAVE SETTLED I. W. W.

**South Dakota Sheriff
Believes Radical Element
is Curbed**

(By The Associated Press)

ABERDEEN, S. D., July 16.—Prompt deportation last night of the alleged radical element among harvest hands coming into this territory is believed by Sheriff Henry Elliott of Brown county to have ended for the present any I. W. W. demonstration in this territory. This was the statement of the sheriff late today after he returned with a posse from a search of a group of 500 workers, who reached Aberdeen from the south this morning.

The search resulted in the arrest of two men as suspects in connection with the murder of William Henderson of Austin, Texas, at Woolsey, S. D., yesterday.

The men, both of whom have been working in Oklahoma, gave their names as Theodore Wujonovich and Andrew Lutjek.

Another shooting was reported from Milbank, S. D., near here. Sheriff John Wilson of Milbank is holding Steve Kosew of Minneapolis in connection with the shooting at Milbank yesterday of Harry Owen, 30, of Wheaton, Ill., a harvest hand traveling with Kosew and two others.

Splits Into Small Groups

Reports from Groton and Plana, Brown county, through which last night deportees were sent, all the men flagged a freight at Bath, west of Groton, and started east. The group sent north, split at Plana into smaller groups and kept on going.

The men were fed at Bath and given shelter from a storm. Of the men who arrived here this morning, one hundred of them boarded a freight train and started for North Dakota. One hundred and fifty applied for work at the federal employment bureau and were taken care of while the others scattered about workers.

"None of the harvest workers will be molested as long as they behave themselves," said Sheriff Elliott today. "But as fast as they start anything, they will be given the same treatment as those we sent out last night."

DISCUSS ITALY'S REPRESENTATIVE

(By The Associated Press)

ROME, July 16.—Discussion started over the question of who will represent Italy at the Washington disarmament conference. Among those mentioned were Tommaso Tittoni, former premier and now president of the senate, Vittorio Scialoja, former minister of foreign affairs and a senator, and Senator Maggiorani Ferraris.

Signor Tittoni will sail for New York July 12 on the steamer Dante Alighieri. He is to deliver a course of lectures at Williams College.

WEATHER REPORT

WASHINGTON, July 16.—

Weather predictions for the week beginning Monday include: Region of Great Lakes, Upper Mississippi generally fair except for widely scattered local thunder-showers and normal temperature.

Illinois and Missouri—Fair Sunday and probably Monday; not much change in temperature.

Indiana—Fair Sunday and probably Monday, no change in temperature.

Wisconsin—Partly cloudy and somewhat unsettled Sunday, possibly showers in north portion; slightly warmer; Monday probably fair.

Iowa—Partly cloudy and somewhat unsettled Sunday, somewhat warmer in northeast portion; Monday probably fair.

Temperatures

The current maximum and minimum temperatures as recorded Thursday were:

Jacksonville, Ill.	80	96	64
Boston	68	72	66
Pittsburg	74	80	66
New York	72	80	66
Jacksonville, Fla.	80	86	82
New Orleans	86	94	78
Chicago	79	82	77
Detroit	78	84	66
Omaha	78	82	72
Minneapolis	72	74	66
Helena	88	92	66
San Francisco	56	64	52
Winnipeg	78	86	56
Cincinnati	86	88	64
Escanaba	78	80	60
Marquette	76	82	64

VACUUM CLEANERS FOR COWS STEAM HEAT FOR THE HOGS

**Minnesota Man Furnishes Electric Fans for
His Bovines—Also Built a Thirty Thousand Dollar Dance Pavilion—Is Believed
to Have Embezzled at Least \$150,000**

(By The Associated Press)

AUSTIN, Minn., July 16.—Embezzlement of "at least \$150,000" from George A. Hermel & Co., packers, was admitted late today by R. J. Thomson, comptroller of the company, in a statement issued jointly with officers of the concern.

No legal action had been taken against Thomson early tonight.

Thomson, widely known in this section of the country as president of the Oakdale Poultry Farm near here and the Oakdale Holstein Farm at Blooming Prairie, Minn., has assigned all his holdings to trustees for operation until their ultimate disposition is determined.

The property in Thomson's name is extensive. Hermel officials said and whatever the extent of Thomson's defalcations this property will make up a large amount of it. Thomson said "everything he owned would be used to help square accounts."

Rise Was Rapid.

Thomson, a country boy, entered the employ of the Hermel company several years ago, first as a candy salesman at the plant at a wage of \$12 a week. His rise was rapid, and his speculations, he said, started shortly after he became controller.

No legal action had been taken tonight against Thomson, and it was indicated none is planned until it is definitely known what the shortage is. The company expects to announce the total next Wednesday when a creditors meeting in Chicago will be held.

"I must have been crazy, I knew I was crazy," was the only explanation for his speculations forthcoming from Thomson. From the \$12 a week clerk in the confectionery store, Thomson's rise was rapid. Every week he announced some new project and his neighbors looked forward eagerly for each announcement.

One day he announced he had inherited a forty acre farm near LeRoy, which he converted into a chicken ranch. He spent \$50,000 on it. It became a mecca for travelers.

Built \$30,000 Dance Pavilion.
Thomson laid out beautiful parks on the farm and erected a dancing pavilion at an expense of \$30,000 with a dancing floor to accommodate one thousand couples.

A hotel with fifty beds and a dining room to care for 75 diners was built. Then he constructed a fire station and installed two chemical engines and a permanent fire fighting force. A ten acre playground for children was laid out and an artificial lake built.

On a farm north of Austin he spent thousands of dollars on buildings to house his \$300,000 herd of Holstein cows and his \$20,000 Duroc hogs. His cows were cleaned with vacuum cleaners. Electric fans were installed in the barns and so arranged as to drive all flies to a room at one end of the building where they were destroyed by chemical gases.

His hog barn was steam heated. Dormitory for Hired Men.
He erected a dormitory for his hired men, spending \$10,000 for rugs and draperies. There was a billiard room, sun room and dance hall. Every man in Mower and Steele counties wanted to get a job on Oakdale Farm.

The Oakdale Trail from the Twin Cities to Chicago was another project aided by Thomson. He had it after his farms and planned an artistic cut stone gateway to be erected at the Iowa state line where the trail passes Oakdale Farm.

His subscriptions to public affairs and charity always were large. Thomson talked calmly tonight about his troubles and declared his only present concern was to get his accounts straightened out.

Mrs. Thomson is loyal in her support of her husband and said she is ready "to start all over again" with him. They have one son, Gerald.

ADOT OLD UTILITY COMMISSION RULES

Springfield, Ill., July 16.—All conference rulings and general orders of the old state public utilities commission were adopted today by the Illinois Commerce Commission and all employees of the commission were temporarily reappointed until they are permanently reappointed or replaced.

HOUSE JUMPS INTO PARTISAN FIGHT ON DUTY ON CRUDE OIL

**Blazed Fiercely Until
Republicans Adjourned Session**

(By The Associated Press)

WASHINGTON, July 16.—After refusing by a vote of 122 to 106 to eliminate the three year dye embargo from the three year tariff bill, the house jumped suddenly into a partisan fight over oil.

But it did not last long. Flaming fiercely at first the oil battle ended abruptly on a Republican motion to adjourn until Monday. Altho opposed solidly by Democrats who forced a roll call, the result was the same as yesterday when the Republicans standing together voted to quit.

By breaking in unexpectedly Representative Garrett of Tennessee in charge of the Democratic minority forced the oil issue to the front. His amendment to put crude petroleum and fuel back on the free list was thrown out on a point of order amid the greatest confusion and uproar. For a time the house did not seem able to tell its legislative head from its heels. A Republican breaking in with a wild shout to "know 'where we are at'."

Oil Takes Top Place.

It was apparent that oil took top place in interest among the house membership in the five contested schedules on which a separate vote is to be permitted by special rule.

Everybody it seemed was anxious to speak and worn out by the all day wrangle over dyes, members were ready to lay off until Monday and get their forces lined up for the real fight. (The dye embargo stood up against a combined attack by Democrats and Republicans, described by those supporting it as a device to shackle the vast dye industry, it was denounced by Representative Frear of Wis., a Republican member of the ways and means committee and others as a move to build up a dye monopoly in this country.)

As the vote was comparatively close, some doubt was expressed as to the final action by the house proper next week, being in the committee of the whole. The schedule in addition to the dye embargo fixes a duty of seven cents a pound and 35 per cent, ad valorem on imports of coal tar products from which dyes are obtained.

GERMAN PLEBISCITE HAS BEEN DISSOLVED

Berlin, July 16.—The German plebiscite commission in Upper Silesia has been dissolved says a despatch from Breslau, Prussian Silesia to a local agency. German interests in the plebiscite zone hereafter are to be represented by a people's council, comprising members of various German political parties and civic organizations, under the chairmanship of Dr. Lukaschek. Vorwaerts declared that 40,000 German civilians have left Upper Silesia for interior Germany since the resumption of railroad traffic in the area where the recent uprising of Polish insurgents occurred.

THE JOINERS
The Alton Telegraph truly says that people nowadays are never happy unless they are "joining" something or attending conventions.

MUNICIPAL POVERTY
In Decatur city officials are releasing employees in all departments. The lack of funds is making this course necessary. The municipal treasury in Illinois that is down to bed rock with the certainty of still harder days, is not a new or unusual thing.

RECOGNIZE DEBT TO SERVICE MEN
Democrats in the senate are seeking to show that the Republican administration is not playing fair with ex-service men and that the bonus bill has been permanently side tracked. However, the ex-service men should not be fooled by this political effort of the Democrats.

There are good reasons for the claim that the Republican party is genuinely interested in the ex-soldiers, fully recognizes the country's debt to them and mere-

ly awaits the logical time for the payment of that debt.

WILL IMPRESS LESSONS OF PEACE
Germany has made one reparations payment and now that this irksome task has been started the people will probably meet the conditions with a certain amount of grace. At any rate, the payments are to be made regularly. It is a pretty safe guess that the effect on the majority will be to make them see the fallacy of militarism and to agree to that policy which believes that disputes between peoples and nations should be settled by arbitration without bloodshed and the expenditure of huge sums of money.

GIVING AND RECEIVING
The thirty-three Chicago children who are here as guests of Jacksonville people are in every instance enjoying their stay. The visitors will be benefited by the fresh air and the hospitality extended them, but their benefits will not be nearly so great as that which the hosts and hostesses themselves receive. The giving of "a cup of cold water" brings its very certain reward.

THE CROP PROSPECT
The long continued period of hot weather developed the corn crop in a remarkable way and it today gives promise of an enormous yield. However, if the heat continues much longer and without copious rain, the crop prospects will be lessened. The indications for a huge crop impress the farmers in different ways. Ordinarily they would be delighted over the expectation of

a huge yield, but now the corn price is so low that some farmers figure that they would be better if this year's crop were a total failure. This applies of course to the farmer who happens to still be holding all or part of his 1920 crop.

THE BURDEN OF ARMAMENT
It is said that one man in every five in Europe is serving in the army. It is also true that the countries that can least afford the expense are the ones where the largest armies are being maintained. All of these figures go to show that disarmament is the big question of the day. When this matter can be worked out successfully there will be no need for looking up other ways to reduce taxes.

THE SCHOOLS OF CRIME
Harry Ward, the Chicago bandit who paid the death penalty Friday, seven years ago was a choir boy. But, it was not the choir training that led to Ward's life of crime. The day before he died he wrote out a statement in which he said that his record proved the error of associating young offenders with confirmed criminals. Too often this is done and the lad who is sent to a penitentiary for reform and retraining very often gets there the schooling that leads to a further life of crime. The boy after his first conflict with the law does need a helping, uplifting hand or he is almost certain to develop along the lines of crime.

THE RAGE FOR LEGISLATION
The president general of the Daughters of the American Revolution has issued a warning against hasty endorsement by members of her organization of proposed legislation and projects. "The world has gone legislation mad," declares Mrs. Minor, "Every ill that flesh is heir to has its quick legislative medicine."

Had that warning been taken to heart years ago the country today would be far better off. The experiences of the railroads through the last thirty years is sufficiently illustrative of the evils that result from too much legislation. There had been gross abuse of power by capitalists who held controlling interests in the roads. To relieve the public from the exploitation of its transportation systems for private gain, legislation was resorted to. The Federal government and the States entered upon a program of restrictive laws, made more severe at every session, that not only accomplished the object sought but went far beyond and took from the roads almost every incentive of profitable operation. The campaign culminated during the war, when the roads were legislated out of the hands of their rightful owners and turned over to a reckless administration to complete their demoralization.

Legislation as a panacea for all human ailments found its most ardent advocates among the members of the Democratic administration, and the eight years of their control of the government saw a resort to it in forms and to an extent never before

heard of. Paternalism was rampant, and there was scarcely a complaint by any individual or class of citizens but found a member of the party in power in either House of Congress ready with a legislative cure. The notorious Adamson Act is conspicuous among the array of legislative enactments that ruthlessly set aside natural laws and undertook to establish new standards of living. The war was used as a pretext for passing scores of other radical laws that would have commanded little support in normal times.

WILL CETER COURSE IN CITIZENSHIP
The entire chautauqua is to open July 28 and continue thru August 7. As feature this year will be a series of lectures on "Women as Citizens," the purpose being to present subjects of special interest to women, now that they have the rights of suffrage. Mrs. May Wood-Simons, formerly lecturer on citizenship at the University of Wisconsin, is to have charge of the course. Mrs. Lillian Danks of this city will preside on several of the days, and among women who will take part will be Mrs. J. W. McGraw, Mrs. James Morrison and Mrs. George Bass of Chicago and Miss Liea Bane of Champaign. Mrs. Bass will have as the subject of her address, "Responsibilities of the Woman Citizen." Mrs. Bass is a member of the Woman's National Democratic committee.

Another of the addresses will be by C. H. E. Woodward of Ottawa on "The Making of the Constitution." Mr. Woodward wrote the code law which forms the basis for the various departments under which the affairs of Illinois are now operated.

BACK FROM THE FURNITURE MARKET
G. B. Andre and wife have returned from a journey to Chicago and Grand Rapids, Michigan where they attended the great furniture sale. The display was the largest seen for many years. Mr. Andre says prices are getting back pretty much to pre-war figures and there is a general optimistic feeling among business men. Rapid improvement is not expected but a general quickening of business and approach to better times is anticipated.

While they were away the great movie actor, Wallace Reid, came along in his auto bound for the western coast and they had the pleasure of shaking hands with him and conversing a short time. The gentleman is very popular and widely known in the movie world. Mr. Andre says it has been phenomenally hot in Michigan lately. Not long ago the west coast was declared to be the warmest place in the land.

SEE AMERICA FIRST UNDER BIG TENT AT CONCORD
JULY 21ST, 5 P. M.
Given by the ladies of the Methodist Protestant church. Take a tour through the country and indulge in fried chicken and other good American eats.

WINCHESTER
Misses Merle and Ona Williams arrived Friday from Gibon, Neb., to visit at the home of Mrs. Henry Vanier and daughters. Members of the Catholic church will have an ice cream social on the church lawn Tuesday evening. The Winchester band will furnish music. Henry Higgins and wife left Saturday for Virginia to visit relatives. Mr. and Mrs. Earl Farrington and son returned Saturday from a visit with relatives in Wite Hall. Miss Mary Elizabeth Roark visited relatives in Jacksonville this week.

Engines with our new core system of radiators DO NOT OVERHEAT and do not leak. We do the work while you wait.—BRADY BROS.

Arch McKinney of west of the city has gone to Louisville, Kentucky, for an extended visit with relatives.

TOO LATE TO CLASSIFY
FOR SALE—5 room cottage on S. Clay avenue. A bargain. Address "Cottage," care Journal, 7-17-21

LOST—Boy Scout knife. Return the Journal and receive reward. 7-17-21

FOR SALE—Six year old mare. Only 15. 446 Lorton street. 7-17-21

LOST—Leather purse with three compartments, containing about \$9.65, together with medals and papers. Reward for return to East North street or Journal office. 7-17-21

CHAPIN WOMAN'S CLUB HAD MEETING

Mrs. Grover Smith is hostess to Club Women—Mrs. F. O. Clark of Oregon is Guest of Relatives—Other Chapin News.

Chapin, July 16.—Mrs. Grover Smith was hostess to the Women's club Friday afternoon, July fifteenth.

Roll call was answered by naming the capital cities of South America. After a brief business session, Miss Johanna Onken read a splendid paper on "Chile, Desert, Forest and Lagoon." Several Victrola records were much enjoyed. During the social hour that followed the hostess served delicious refreshments. Out of town guests were: Mrs. Oswald Cullas of Peoria and Mrs. F. O. Clark of Enterprise, Oregon.

Miss Johanna Onken left Saturday for a visit with college friends at Broadlands, Tuscola, and Danville. She expects, also, to visit in Peoria before returning home.

Mrs. F. O. Clark of Enterprise, Oregon, is a guest of her cousins, Mrs. E. F. Antrobus, and Mrs. H. O. Smith. Mrs. Clark was formerly well known here, being a guest of the late Mr. and Mrs. H. Moore, but it has been thirty years since her last visit here.

Mr. and Mrs. B. H. Allen came over from Versailles, Saturday, to spend the week end with home folks.

Mrs. Stanley Post of Jacksonville was a recent visitor at the home of her parents, Mr. and Mrs. Charles Thomas.

H. C. Anderson and family were Jacksonville shoppers Saturday.

Miss Black and Miss Abrams were Thursday visitors in Chapin.

L. H. Nienhueser was a Friday visitor in Jacksonville.

Rev. Ezra Fox came over from Gibson City, Wednesday, to attend the anniversary picnic at George R. Fox's.

Mrs. Edgar Watkins and daughter, Miss Barbara, of Petersburg were guests of John Onken Thursday and Friday.

Mr. and Mrs. O. H. Cullas and daughter of Peoria arrived in Chapin Thursday for a week's visit with relatives and friends, both here and at Winchester.

Mr. and Mrs. Charles Ballou of St. Louis, spent Friday at the Henry Alderson home.

Miss Gladys Knopp, R. N., of the Passavant hospital, was a guest of her aunt, Mrs. P. H. Ham, Thursday.

Miss Hazel Antrobus came down from Jacksonville Saturday evening to spend the week end with home folks.

SOLICITING TEAMS MET WITH SUCCESS
The several teams securing Jacksonville memberships in the Pike's Peak Ocean to Ocean highway met with excellent success Saturday. However, some team members were unable to attend to the work and will be on duty Monday.

More comfort afforded men who buy shirts recommended by FRANK BYRNS Hat Store.

SOME FACTS ABOUT HOWITZER COMPANY

Captain James Well pleased with Assignment — Personnel of Company is 63 Men and Two Officers.

Captain W. R. James as he becomes more familiar with the equipment of the howitzer company is well pleased that his company has been assigned to that branch of the service.

For more than fifty years Jacksonville has had a rifle company and therefore most citizens have only a general knowledge of that branch of the service.

Speaking of the howitzer branch of the service Saturday Capt. James said that the personnel of the company is 63 men and two officers, Captain and First Lieutenant.

The present company organized with the view of being a rifle or cavalry company has a captain and two lieutenants. Second Lieutenant Sweeney will be placed on the unattached list but still retained in the service.

It is the equipment in which most citizens will be interested. The company will be equipped with 45 automatic Colts revolvers of the latest type and seven rifles.

In addition to this are two howitzers of the 37 millimeter type, commonly known as one pounders. Two trench mortars also are a part of the equipment. This equipment will be moved by pack mules.

The company will go into camp at Camp Lincoln, Springfield from August 19 to Sept. 2. The state fair will be held during that time and no doubt the men will all be permitted to visit the fair.

At the present time the company numbers 58 men. Capt. James expects to secure the other four recruits necessary to fill out the company at the next regular drill Monday evening. Anyone interested may call at the armory Monday evening while the recruiting officer will be found.

Herrick Refrigerators are machines, not boxes. Save ice and food. Quick Meal Oil, Gasoline and Gas Stoves, Ovens, Electric Irons—Everything to lighten the burden of cooking in hot weather at BRADY BROS.

DAUGHTER SUFFERS BROKEN ANKLE

Mrs. E. M. Ewbank of 805 Hardin avenue has gone to St. Louis to take care of her daughter, Mrs. Olive Evans, who is suffering from a broken ankle. The injury came while Mrs. Evans was diving from a tree into a shallow pool of water. She is visiting at the home of Mrs. A. T. Morath on Page avenue.

Chicken fry Woodson Christian church, July 21st

PIANO PRICE FACTS

—A man stated to us the other day:

"I know you carry fine pianos, perhaps the best, and I know your house has a fine reputation BUT my pocketbook is limited, and, maybe, you can't sell me a piano at my price."

—Before he left we had shown him a piano to suit his pocketbook.

—If there is anybody else in Jacksonville or this vicinity who wants to be convinced that we have a piano for any and every pocketbook—all good pianos, at moderate prices—we invite him here to see for himself.

—We sell the very finest pianos in the world BUT we have on hand a large stock of excellent pianos, all tested, the price of which is fifth-in the reach of all.

—This is a piano specialty house and we not only aim but DO serve the whole community and, consequently, all pocketbooks.

THAT OBSOLETE CEMETERY

In his article regarding the southwest direction the writer referred to the cemetery on the corner of the mound road and the one leading southwest just west of the Eliza Hitt place. Capt. W. A. Kirby says the place was used as temporary place for the dead till the college would have its burying ground on Lincoln avenue ready. By that time many of the graves along the road mentioned had been left without head stones and they were plowed over.

Finally the college cemetery was begun but abandoned. Capt. Kirby bought the land and at his own expense moved all the bodies whose graves were marked with stones to Diamond Grove cemetery. Some were left without stones and couldn't be found but the captain did his best to honor the last resting places of the departed.

Adolph Zukor presents

"The Kentuckians"
—WITH—
MONTE BLUE

On one side, the Blue Grass aristocrats, led by a man who was all that was best in their chivalry. Against them, the fierce, fighting folk of the mountains, led by a brave young giant who flamed with pride in his people. The stake—the State's good name and the love of the Governor's daughter. The battle-ground—the Capitol's halls and lonely hills where feudists settled their own affairs. The victory—Come and see! A romance of stout hearts' struggle and of love great enough to surrender.

INSURANCE ON BURNED BUILDING

H. K. Snyder of the Snyder Ice and Fuel Company found Saturday that he has \$4,500 insurance on the building which burned Friday night. It is thought that this amount will not lack very much of covering the loss.

It was C. P. Hutson who entered the machine shop with an automobile to pull out a tractor. Saturday's Journal stated that it was Mr. Rodems.

BULGARIAN MISSIONARY SEEKS FOOT RELIEF

J. L. Read, the Dr. Scholl foot expert of Hopper's shoe store received an order yesterday for a pair of Dr. Scholl's arch supports from a representative of the foreign missionary society of Lovetch, Bulgaria.

JOHN MARTIN TO WED MISS WILMA VOGHT

At an affair given last evening in Salem, Illinois the announcement of the approaching marriage of John R. Martin of this city and Miss Wilma Voght of Salem was made known. The company was given by Mrs. Nonie P. Voght, mother of the bride-to-be, and it was last evening that the friends of the Miss Voght learned that the wedding is to be solemnized Aug. 17th at the home of her mother in Salem.

Many Jacksonville people will hear of the engagement with interest as John Martin is so well and favorably known. He is the son of Mr. and Mrs. T. S. Martin of 383 East Morton avenue. After graduating from the local high school he attended Illinois College, was an active member of Phi Alpha society and graduated with the class of 1920. During the past year he has been a successful instructor in the Cose School of Technology at Cleveland, Ohio.

The bride-to-be was a student at Illinois College during the year 1919-1920 and has many friends in the city. She was a member of Sigma Phi Epsilon society.

Men without Coats

—Never in the history of Jacksonville has the abandonment of coats by the men been so universal—On the streets, about their daily work, and at the theatres, lodges, etc.

—This is as it should be, in warm weather—it's comfort.

—But, when men doff the coat it means the shirt, the belt, the tie and the collar, must be a bit finer—a little more dressy. And to appear so dressed costs no more.

—We are showing a beautiful line of articles of this kind for summer wear, including Palm Beach, Mohair and Tropical Worsted Suitings, and athletic underwear, all at very low prices.

MRS. KABER GIVEN LIFE SENTENCE FOR HUSBAND'S MURDER

Thru Mercy of Jury She is
Saved from Electric
Chair

(By The Associated Press)

CLEVELAND, O., July 16.—Thru mercy recommended by a jury of men, Mrs. Eva Catherine Kaber today escaped the electric chair the found guilty of first degree murder of plotting the assassination of her husband, Daniel F. Kaber. It was the hope that mercy would be extended by those of the opposite sex which induced her counsel to exclude women jurors on the ground that they are "more cold blooded and merciless than men."

As a result of the recommendation for mercy, Mrs. Kaber was sentenced to life imprisonment in the Ohio reformatory for women at Marysville by Judge Maurice Bernon. Had the jury not recommended mercy the court would have been compelled to sentence Mrs. Kaber to die in the electric chair.

The prison term for Mrs. Kaber was the final result of the state's effort to bring to justice those responsible for the murder of the Lakewood publisher as he lay an invalid in his home on the night of July 18, 1919. There remain five others to be tried on first degree murder charges in connection with the crime.

In Semi-Conscious State.
Two of these are Mrs. Mary Brickel, mother, and Miss Marian McArdle, daughter of Mrs. Kaber. Miss McArdle was with her mother who was lying in a semi-conscious state in her cell in the county jail, when the news of the verdict was brought to them by Attorney F. W. Poulson, Mrs. Kaber's personal counsel.

The mother, 63 years of age, was at Sterling House a detention home for women. The others charged with the crime are Mrs. Emma Colavito, mid-wife nurse who is alleged to have been a go-between for Mrs. Kaber and Salvatore Cala and Vitterio Pisselli who are alleged to have actually killed Mr. Kaber.

Mrs. Kaber showed no signs of interest in the verdict or even the sentence imposed by the court if in fact she actually knew what was happening, for she was apparently oblivious to all things. She merely nodded her head when pressed for answers as to whether she understood. She was as limp as a lifeless person and had to be carried to and from the court room.

Mrs. Kaber's semi-conscious state continued after she return-

ed to her cell and her jail physi-

cian said she apparently did not know when questions were asked her.

Because of her physical condition Mrs. Kaber will not be taken to prison for ten days more. It was said, in order to permit her to regain her strength.

FARM BUREAU NOTES

Elevator Makes Provision for Phosphate—The farmers elevator at Pisgah has recently erected a substantial shed for the storage of coal and phosphate. This is the first elevator in the county to make such provision. It is our opinion that limestone and phosphate will never be widely used or properly handled until it is stored and handled at shipping points by our elevators.

Rye as a Morgan County Crop—Very few of our farmers in Morgan county raise rye as a market crop. Quite a number seed a small acreage as an early pasture crop. In the Meredosia country rye is raised to a greater extent than in any other part of the county. Manager Berger of the Meredosia Farmers elevator receives and ships rye the same as wheat. The farmers in that region seem to think that Rosen rye yields better than does the common rye. Rosen rye was developed in Wisconsin. More rye is undoubtedly received and shipped from Meredosia than from all the other points in the county combined.

Why Does the Wheat Grow so Rank?—As a general thing when wheat grows rank and contains only a small amount of grain, the plant food in the soil is out of balance. The rank growth indicates an excess of nitrogen in the soil. In cases like this we would recommend heavy applications of phosphates.

Potato Crop a Failure—This statement expresses the situation for Morgan county. From correspondence coming into the office we are inclined to believe there will not be a bumper crop potatoes in the United States. There is a growing tendency to market the potatoes of a region thru an association. It has been our experience that it is better to purchase of such associations, rather than of any individual grower or irresponsible shipper. An association makes adjustments promptly and in general handles the buyers in a business like way.

Who Said Profiteer?—A Livingston county farmer recently shipped a perfectly good calf hide to Chicago and received in return 33 cents in postage stamps. In other words, it takes about two dozen hides to pay for one pair of decently respectable shoes. Six hides should put half soles and rubber heels on your old shoes. Can you beat it?

Spring Alfalfa—Numerous experiments have been conducted and many observations are on record dealing with the time of seeding alfalfa. Results of these tests and observations stand for the most part in favor of fall seeding. Some of our best results are reported from seeds planted during the last ten days in August. Later seeding in central and northern Illinois than August is risky. On the DeKalb trial good results have been obtained by seeding in the spring from April 20 to May 20 with a light companion crop of barley or oats. Recommendations as to the amount per acre vary from 8 to 30 pounds. This station has had satisfactory results by using 15 pounds of high grade alfalfa seed per acre.—W. L. Burlison, Head, Dept. of Agronomy, U. of I.

POSTMASTER IN PIKE COUNTY HAS POEM OF PASSION.

(The Chicago Tribune.)
Washington, D. C., July 13.—Here is a new "Pike County Tale" written in rhyme by an Illinois postmaster inspired by Postmaster General Hays' recent direction to postal employees to out politeness and humanity into their work.

Dr. C. J. Gose, postmaster at Kinderhook, Pike county, Ill., expressed his appreciation of the suggestion as follows:

A Fourth-Class Postmaster

I do wish that Mister Hays
Could see my sweet and
charming ways
And how polite and nice I am
When some guy comes to mail
a ham.
How sweetly to those nuts I smile
When they are asking all the
while
For stuff they've bought from
Sears-Roebuck,
To whom they sent one
lonesome buck.
They're looking for a bale of
tripe,
A Kiddy-Kar or meerschaum
pipe;
And round the office they will
stick
Till I get peeved and durn
near sick.
But yet I have to smile and say:
"Your package did not come
today."
And then they draw an ugly sigh,
As if to say: "I think you lie."
I spread them one elastic grin
And say: "Twill soon be
coming in."
If Mr. Hays would come and see
The way some folks are
treating me
I know full well that he would
sob
And he would let me keep the
job.
He'd say: "Dear Doc, if you'll
stay here
I'll boost your pay two beans
a year."

After getting these lines out
of his system, Dr. Gose let it be
known that he classes himself as
a "first class" fourth class post-
master.

C. W. Frost motored from Winches-
ter to the city yesterday.

DISARMAMENT IS IN QUIESCENT STATE

(Continued from Page 1)

vitaly interested in Pacific prob-

lems.

"Some Japanese believe that the eight battleships and eight cruiser program is the minimum for defense. On the contrary, it is the maximum which may be reduced according to the strength of the imaginary enemy. Moreover, Admiral Kato (minister of the navy) has declared it is not necessary to stick to the eight battleship and eight cruiser program. The Japanese should understand that finances are uppermost in the endless naval competition between America and England, which surely will lead to bankruptcy. Japanese statesmen should treat limitation of armaments in consonance with the prevailing temper of the world.

"Discussion of general Pacific problems is fraught with important consequences to the future of Japanese and demands careful consideration."

STRENUOUS EFFORTS TO RESCUE PASSENGERS

Ogdensburg, N. Y., July 16.—Strenuous efforts were being made tonight to remove 330 passengers from the Steamer Rapids King of the Canada Steamship line which was disabled in the

Long Sault Rapids of the St. Lawrence river late today. The craft was disabled by the breaking of a rudder chain. The tiller was used to beach the vessel in seven feet of raging waters. No boats were able to approach the disabled craft because of the swiftness of the current.

RANSON REALTY CO.

Special Farm Bargains

MIF—We have a fine farm of 79½ acres well located, good dirt, good improvements, three miles from elevator, about thirty minutes drive from Jacksonville. Will take city property in trade. A real bargain at \$250.
BIF—130 acre farm 4 miles from a good town, good black timber soil, good house, barn, etc. Priced for short time only \$175.

City Property

G1C—Fine vacant lot, west end, location ideal, close to car line, \$1650.

H1C—A real 8 room home, close in, modern, on a paved street, \$4500.

B1C—We have a buyer for a small home north of Lafayette and west of Church. Will pay \$1000.00.

In Buying a Palm Beach Suit

A Few Dollars
Invested In Good Make
An Added Economy

—Some Palm Beach Suits cost more than others. And that is perfectly natural and logical. The difference is due to the tailoring.

—And the tailor who shows you these better grades and gives you correct tailoring is striving to give you the best that can be had in Palm Beach—the best material, the best handwork in fashioning your suit, and the best in needlecraft and in smart designing.

—The genuine Palm Beach, when fashioned into a suit by a skillful tailor, is a thing of beauty—because it looks well; because it will bear the necessarily frequent launderings and keep its first appearance; because it is low in price; and more than all, it keeps you feeling comfortable, and is fit to wear in any society.

—We offer you the genuine Palm Beach, the high grade tailoring and the low prices.

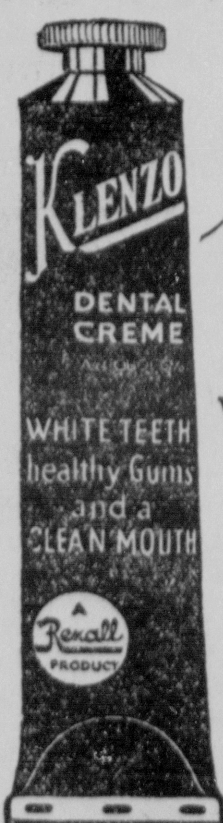

—Come in and be measured this week; there's a long hot summer ahead of you with but few breaks; be comfortable.

REJOICE THAT CHINA HAS BEEN INVITED

PEKING, July 14.—The student controlled Daily News rejoices that China, tho not a factor in the armaments question is to be given a place at the proposed Washington conference.

Great Britain has just acknowledged the fact that China is to be treated as an independent nation in the course of the discussions of the imperial conference," adds the newspaper. "while the United States again has declared its insistence on the open door policy. China wants security from encroachment by any power. The weakened thru internal dissensions, she is entitled to the respect due a sovereign nation."

Robert J. Birnbaum returned Saturday morning from Chicago, where he had gone to purchase fixtures for the new Birnbaum and Moore cafeteria which is to open on West Morgan street next month.

J. H. Ferris of St. Louis was a visitor with Jacksonville friends yesterday.

STILL LIVING IN MANNER OF STONE AGE

London.—(By A. P.)—People who are still living in the manner of the Stone Age are found on Rennell Island in the Solomon Group, Melanesia, according to Dr. Northcote Deck, a missionary.

Dr. Deck says there are only about 500 inhabitants, and because of their isolation, thru lack of ship's anchorage, even their dialect has never been studied. The natives only had implements and weapons of stone and wood when Dr. Deck first visited the island. They showed great eagerness to barter home-made articles for anything made of iron.

"The men are great fighters and wrestlers. Their throwing spears have points made of human leg and arm bones, and tipped with a bone splinter designed to break off in the wound," says Dr. Deck.

"They seemed to feel keenly the monotony of their isolation and showed a settled melancholy, both in their faces and cadence of their voices. Their only sort of music, to which they dance, consists in the tuneless beating of a log."

The teeth of flying foxes which swarm in the caves on the islands seem to be the only form of currency known there.

MATRIMONIAL

Fernandes-Frank
The marriage of John Robert Fernandes, Jr., and Miss Frances Mary Frank took place at 8 o'clock Saturday evening. The ceremony was performed by Rev. W. H. Marbach, pastor of State Street Presbyterian church, and was witnessed by Mr. and Mrs. George M. Vieira.

The bride is the daughter of Mr. and Mrs. J. S. Frank and has always made this city her home. She is a member of Northminster church and has been active in various departments of church work.

Mr. Fernandes is a son of Mr. and Mrs. J. R. Fernandes and is also a lifelong resident of this city. He is an auto mechanic by occupation and is a young man of excellent character. Mr. and Mrs. Fernandes will make their home in this city and their many friends unite in extending hearty congratulations and good wishes.

AIR MAIL PILOT INSTANTLY KILLED

(By The Associated Press)
San Francisco, July 16.—Howard Smith, United States air mail pilot was instantly killed late today near Marina by the 300 foot fall of his plane as he started on his regular trip to Reno.

The plane went into a nose dive apparently because of engine trouble observers said and burst into flames as it struck the ground. Smith's body was burned beyond recognition. Smith was 25 years old. He transferred here recently from the Chicago division of the air mail service.

CONTRACTS FOR HARD ROADS SHOW SAVING OF OVER \$1,000,000

Record Breaking Cost of \$28,620 Per Mile on 100 Miles

(By The Associated Press)
SPRINGFIELD, Ill., July 16.—Contracts for nearly 100 miles of hard roads at a total cost of \$2,734,028, a record-breaking low cost average of \$28,620 per mile, were awarded by Gov. Small today. All former records of the Small administration for both mileage and low cost were broken in today's letting, which was made on bids received by the division of highways last Tuesday.

The total mileage of the combined awards was 95.53. Friends of the administration pointed out today that had not Gov. Small's battle for "maximum mileage at minimum cost" been successful the same roads would have cost the state \$3,821,200. The governor's ultimatum to contractors that no bids over \$30,000 would be accepted has saved the state \$1,087,172 today they said. Last February the lowest bids the state received were approximately \$40,000 per mile including cement, which the state furnishes.

If the present ratio is maintained on the contemplated 4,800 miles of hard roads, the governor pointed out, it will save the state over \$4,000,000 on its road construction, an amount almost equal to the entire road bond issue of \$60,000,000.

The contracts awarded were given to the low bidders Tuesday on the following roads:

Section 1, Clark county, 3.81 miles; section 18, Alexander county, 3.43 miles; section 11, McHenry county, 7.28 miles; section 12, McHenry county, 6.12 miles; section 13, Boone county, 3.98 miles; section 114, Boone county, 4.43 miles; section 15, Boone county, 3.09 miles; section 13, Macon county, 3.58 miles; section 14, Macon county, 3.63 miles; section 15, Macon county, 3.95 miles; sections 24 and 25 Sangamon and Morgan counties 12.45 miles; section 1, Effingham county, 3.41 miles; section 1 and 2, Knox county, 3.97 miles; sections 1 and 2, Rock Island and Henry counties, 5.52 miles; section 4, Henry county, 8.44 miles; section 1-Y, 2 and 3, Champaign county, 12.35 miles; sections 7 and 8 Perry and Washington counties, 11.13 miles.

Bids exceeding \$30,000 on roads in Jackson, Washington, Brown, Livingston and McLean counties, were not considered in today's awards and it was said they will probably be rejected.

ITALIAN INVENTS NEW AIRPLANE

Rome.—An airplane capable of landing without the need of a large aviation field, able to rise without a long run beforehand, able to travel more than 300 miles an hour and, if necessary, to meander along at but a few miles an hour, is announced as the invention of an Italian engineer, Epaminonda Bertucci, of Rome.

The inventor claims that he already tried out the machine on a small scale and regards his first experiments as indicative of the success of the invention. The new machine is primarily intended for aerial war chasing and is to be armed with a machine gun. It is a monoplane.

The community meet of Grace Chapel will hold their meeting Tuesday evening July 19-21. Dr. Kopperl and J. H. Dial will address the meeting. Everybody welcome.

H. G. Lynn and daughter, Helen, Mrs. W. Lynn and son, Fred, Miss Helen Ward and C. C. Ward from Canada are expecting to drive to Beardstown Sunday to visit with friends and relatives who are coming there from Rushville.

JURY FOUND VERDICT FOR MISS DICKINSON

Declared Housekeeper for Mr. Coates Entitled to \$12,000 From Estate—Appeal Taken to Circuit Court.

In the county court yesterday the jury which heard the evidence in the suit of Miss Susan Dickinson against the estate of Job Coates returned a verdict in favor of the plaintiff, fixing the amount due for services at \$12,000. Notice of appeal was given by the attorneys for the estate, and the case will now go to the circuit court.

Miss Dickinson, who was the housekeeper for Mr. Coates, during the last three years of his life, filed a claim for \$15,000, maintaining that she was only partially paid for the difficult services rendered during the period of Mr. Coates' practical invalidism.

It was brought out in the testimony that Mr. Coates had given Miss Dickinson in addition to her weekly wages a liberty bond of the value of \$1,000 and the automobile which he used in his lifetime.

INTERESTING MEETING TO BE HELD IN AUGUST

Indianapolis, Ind.—Officials of the American Legion, representatives of the war risk insurance bureau, public health service, and federal board for vocational education will meet here early in August, according to Legion officers, for the purpose of discussing closer co-operation in behalf of disabled former service men.

The Legion has received word of the appointment of Carlos A. Pennington, assistant director of the bureau of war risk insurance, as contact officer between the Legion and the government bureau.

NEWS OF THE SPORTS WORLD

STUDENTS PLAN NEW STADIUM

CINCINNATI, O., July 16.—(By A. P.)—Students and alumni of the University of Cincinnati this autumn will engage in a drive for \$15,000 to build the first three sections of a new stadium at Carson Field. Originally it was the plan to erect the stadium complete at an estimated cost of \$125,000, but the university board of trustees authorized only the initial units.

When these are completed, probably by the opening of the football season, the field will seat 5,000. Twenty other sections are to be built from time to time as athletics develop at the municipal university, ultimately bringing the seating capacity to 15,000.

Probably no stadium in the country will have a more picturesque setting than Cincinnati's. Designed in the shape of a horseshoe, the open end at the north will give a wide sweep of country while the east and west flanks will be built on rather steep hillsides. This natural advantage will substantially cut the cost of construction. The stadium will be of concrete with ornamental entrances.

BOSTON GOES ON BATTING RAMPAGE

Result Is Defeat of White Sox by Score of 10 to 0—Bush Hits Chicago to Five Hits.

CHICAGO, July 16.—Boston went on a batting rampage today at the expense of Roy Wilkinson and wit the aid of air tight pitching by Joe Bush, shut out Chicago 10 to 0. Bush allowed only four scattered hits and was given wonderful support in the pinches especially by Leibold, who started a double play when nipped the locals when they threatened a count.

HEILMAN AGAIN TAKES THE LEAD

Went on Batting Rampage and Now Tops Speaker—Hornby Leads National-Veteran Outchaw in Second Place.

Chicago, July 16.—Harry Heilmann, the slugging outfielder of the Detroit Tigers, went on a batting rampage last week and bated himself out of second place in the race for batting honors in the American League and is now in front of Tris Speaker, the Cleveland World's Champion's pilot, who stepped out in front a week ago.

Heilmann boosted his average to .432, compared with .409 a week. Speaker did not do so well with the willow and lost 21 points, his average dropping from .415 last week to .394, the same figure held by Ty Cobb, the Detroit manager, who has not been in the game the last few weeks because of an injury. The pair, however, are runners-up to Heilmann, Tobin of St. Louis being fourth with .375 and Babe Ruth of the Yankees next with .371.

Up to the recent New York Chicago series, Heilmann had been stonewalled by the Chicago pitchers, and in addition to this he had been unable to get a home run in Chicago this year. Little Dick Kerr who set the "home run king" back during the last invasion of the White Sox to New York was on the mound for the Chicago club during the final game in Chicago, and he fell the victim of Ruth's bat. Babe killed two birds with one stone. He not only knocked out his 32nd home run off a Chicago pitcher, but added Chicago to the list of cities in which he had eluded out home runs. Chicago was the last of the American League cities to come in on Ruth's string.

Ruth is far ahead of his last season's record for homers. The averages released today and which include games of last Wednesday give him a total of 34 circuit drives. He also has scored more runs than any other player in the league. He has crossed the plate for his club 93 times. Although he has cracked out only 106 hits, he leads the league in total bases with 245, which in addition to his string of home runs include 23 doubles and 7 triples.

George Sisler, the St. Louis star failed to add to his string of stolen bases during the past week, but his 16 thefts continues high.

The averages are those of players who have participated in 50 or more games.

Other leading batters: Severid, St. Louis, .367; Williams, St. Louis, .364; Vach, Detroit, .358; Sisler, St. Louis, .357; E. Collins, Chicago, .354.

George Cuthshaw, the initial back guard of the Pittsburgh Pirates, is making Rogers Hornsby, the St. Louis star, see lively to retain the lead among the National League batters, who have participated in 50 or more games, according to the averages released today and which include games of last Wednesday. Cuthshaw, who boosted himself up to second place a week ago by steady hitting, has increased his position appreciably. This week he averages show him hitting .352 compared with .365 a week ago. Hornsby suffers a setback in form and as a result lumped eight points but still retains the lead with an average of .329. Cy Williams of the Phillies boosted himself to third place with an average of .364.

George Kelly, the slugger of the Giants, again reads Irish Meusel of Philadelphia for circuit drive honors. Meusel failed to add to his string during the past week while the Giant's first baseman, drove out his career-high curly blow. Fred of New York and Carey of Pittsburgh are having a merry race for the stolen base honors. Carey is out in front with 23 thefts, while Frisch is one behind him. Frisch, however, leads the league as a run getter, having crossed the plate 70 times for his club.

Other leading batters: Grimes, Chicago, .360; Young, New York, .357; Meusel, Philadelphia, .354; Meloney, St. Louis, .352; Mann, St. Louis, .352; Fowler, St. Louis, .346; Maranville, Pittsburgh, .345.

Reb Russell of Minneapolis is leading the batters of the American Association circuit, according to the averages released today and which include games of last Wednesday. Russell is hitting .387. Artie Butler, the Kansas City second baseman, who left his club and went to Tulsa River Mass, and who since has informed his manager, Otto Knebe, that he will retire from baseball if not traded to some club in the International League, has a better mark than Reb, however, as he is hitting .393 before going east. The reason given by Butler for quitting his club was because the climate in Kansas City did not agree with him.

Russell also leads in total bases with 223, against 122 hits which include 22 doubles, 14 triples and 17 homers, three of which were made during the past week. Bumpy Brief of Kansas City, however, has taken the circuit drive honors away from the Minneapolis slugger, having cracked out three four-ply blows in a single game Wednesday against Columbus and running

PRINTERS TO PLAY FOR CHAMPIONSHIP

DETROIT, Mich., July 16.—(By A. P.)—Twelve cities will compete for the championship of the Union Printers' National Baseball League here July 31 to August 6.

Union printers and apprentices make up the amateur leagues. The cities they hail from are New York, Washington, Chicago, Philadelphia, Cleveland, St. Louis, Boston, Cincinnati, Indianapolis, Pittsburgh and St. Paul. Games will be played on Navin Field, home of the Detroit Tigers.

An application from Toronto, Canada, for a membership in the league will be considered at a meeting preceding the game.

A cup donated by Garry Hermann of Cincinnati is among the prizes to be played for. This league, which covers more territory than the major leagues, is maintained with the idea of educating the younger members of the printing industry in the arts of the craft and making them better men physically, according to Secretary-Treasurer El Springmeyer of St. Louis.

FOR SALE

DETROIT'S ERRORS HELP NEW YORK

DETROIT, Mich., July 16.—New York took advantage of three costly Detroit errors today and won from Detroit 5 to 4. The Tigers staged a ninth inning rally that fell one short of tying the score. Babe Ruth went hitless although charged with five times at bat.

How Nuxated Iron Helped

Put Me In Such Superb Condition As To Enable

Me To Whip Carpenter

And Win The

World's

Championship

JACK DEMPSEY

"TIGER OF THE RING"

Tells a Secret Of His Training—

Advises People Who Are In A Weak-

ened, Rundown Condition To Use

Nuxated Iron To Increase Their

Strength, Vigor and Vitality

Today, recognized as the physical

superior of any living man, the super-

man of the age, Jack Dempsey,

heavyweight champion of the world,

explains below the part Nuxated Iron

played in helping to prepare him for

the two supreme tests of his career.

First he used Nuxated Iron as a part

of his training to increase his strength

and endurance in his decisive smashing

overwhelming strength and power never

before known in the history of the ring;

and now again in his phenomenal victory

over Carpenter he displayed that same in-

comparable force and nerve never before

in any human being. The fact that

Dempsey took Nuxated Iron as part of

his training for both Willard and Carpen-

ter is convincing evidence of the im-

portance he attaches to keeping

his blood rich in strength-giving

iron, and the high regard in which

he holds Nuxated Iron as a master

strength and blood builder.

In a statement made to his headquarters

after his victory over Willard, he said:

"A couple of years ago in preparing

my big fight with Jess Willard I took

Nuxated Iron, and after I had taken it

for a short while I was positive I could

and harder strains with less fatigue

and I firmly believe that

Nuxated Iron put added power behind

my punch and helped me to win my

championship fight. After that time when-

ever I felt rundown I used Nuxated Iron

to build up my physical condition; and

then I started to train for the International

championship bout against Carpenter I re-

newed the regular use of Nuxated Iron, feeling

positive that it would help me win that

great strength, endurance and power that is

the greatest importance in contests of this kind.

HOME RUN BY PETERS WINS GAME

Philadelphia, July 16.—A sensational home run by Peters, a recruit catcher in the ninth inning gave Philadelphia a 5 to 4 victory in the second game and an even break in the double header with Cincinnati. Billy held his former team mates, the Phillies, to six scattered hits in the first game and Cincinnati easily won by the score of 7 to 1.

A home run drive over the right field wall by Wingo, scoring Duncan ahead of him was the feature of the first game.

Score, First:

Cin. 130 002 010—7 11 1
Phila. 100 000 000—4 6 4
Rixey and Wingo; C. Smith, Betts and Druey.

Second game:

Cin. 300 100 000—4 6 1
Phila. 103 000 001—5 7 1
Napier, Luque and Hargreaves; Hubbell and Peters.

William DeSilva is spending the week-end at Quiver Beach.

TENTS

If you camped last year and wish to retain the same space you must notify the secretary and order your tent on or before July 23.

A. C. RICE, Secretary.

ACTIVITIES OF WOMEN

Interesting Jottings Concerning the Doings of the Feminine Sex the World Over

Five Wisconsin cities now employ policewomen.

Chicago society women now play tennis in bathing costume.

Turkey is the first country to produce a woman cabinet member.

Argentina women are prohibited from wearing check suits.

In far-off Morocco, the women work in the fields harnessed to oxen.

In Japan kimonos must be ripped apart and remade when they are washed.

Women bookmakers are making their appearance at English race tracks.

Thousands of factory girls in England are leaving the mills for domestic work.

Susanne Lenglen of France is now the woman tennis champion of the world.

The proposed trip to this country of Queen Marie of Roumania, has been postponed.

Mrs. Clara Barris, of Indianapolis, Ind., is the only woman police captain in the country.

The Talmadge sisters, famed film stars, are the daughters of a Brooklyn policeman.

Miss Olive Clapham was the first woman to pass the Bar final examinations in England.

One of the first schools for girls in Japan was opened by an American woman in Yokohama in 1871.

Marriages in Germany are now being recorded at the rate of 25.80 per 1,000 of the population.

Thousands of women in Kansas have put aside their household duties and gone to work in the fields.

Miss Jennie P. Musser has been appointed Collector of Customs with headquarters at Salt Lake City, Utah.

Peek-a-boo waists and bare knees are barred in the office of the Chicago, Burlington & Quincy railroad.

The Salvation Army Lasses' Band, of Philadelphia, consisting of thirty-five young women, is the largest of its kind in the country.

The Misses Dolorosa, Katherine and Theresa O'Brien, a "triplet set" of sisters, are engaged as school teachers in Fond du Lac, Wis.

Several of the theaters in Paris are managed by women who are proving themselves of being capable of directing in a successful manner.

Mrs. Winifred Mason Huck, daughter of the late Congressman Mason, has announced her candidacy for election to fill the unexpired term of her father.

A part owner of a \$10,000,000 estate, Mrs. Louis Landrock, of Omaha, Neb., is now on her way to the Fiji Islands, where she will be come queen of one of the islands.

A precedent was set among the larger religious denominations when Mrs. Helen B. Montgomery, of Rochester, N. Y., was elected president of the Northern Baptist convention, held in Des Moines.

Women in Turkey should find no trouble in securing husbands since the Parliament in that country which has passed a law which makes marriage compulsory for men over 25 years of age.

More than 6,000 women employees of one of the largest insurance companies in the United States have been ordered to let their hair grow or lose their positions.

Bobbed hair is prohibited.

Mrs. Maria J. Thompson, of Jackson, Tenn., at the age of 102, has the privilege of seeing her children, grandchildren, great grandchildren and one great-grandchild grow up about her.

The family numbers about one hundred.

The Pan-American Round Table membership consists of a director; also twenty-two women who represent twenty-two countries of the western hemisphere and fifteen Mexican women.

Miss Ann E. Rae, of Niagara Falls, just elected president of the New York State League of Savings and Loan associations, representing associations with resources of about \$125,000,000, is the first woman in the United States to be elevated to such a position.

Miss Annie G. Cannon of Harvard Observatory, recently awarded the honorary degree of doctor of science from the University of Groningen, has the distinction of receiving the highest scientific honor ever received by an American woman of science from a foreign university.

One of the first of the Theodore N. Vail Distinguished Service Medals to be awarded is to be given posthumously to Miss Elsie H. Bosler, of Philadelphia, a night chief operator, who lost her life in a blizzard a year ago while attempting to get to the office, where she feared she was needed because of trouble caused by the storm.

WAVERLY RESIDENT LEAVES FOR CANADA

Mrs. Clinton Padgett to Visit Relatives in Canada and North Dakota—Other Waverly Items
Waverly, July 16.—Mrs. Clinton Padgett left recently for a visit of two months with her sister, Mrs. O. V. Smith in Canada, and her brother, George Patterson at Launceston, N. D.

P. H. Alrich, a former pastor of the Baptist church, but now of Chicago, will occupy the pulpit at the Baptist church Sunday morning.

Miss Doris Reiter of Chicago is a guest at the home of Misses Edith and Ella Smiley.

Miss Goldie Cline left for Murphysboro where she will spend two weeks visiting at the home of her sister, Mrs. W. T. Mathis.

T. H. Chambers of Bluffs Springs is visiting at the home of Mr. and Mrs. A. D. Roberts.

Mrs. Irene Smith went to Mt. Sterling for a visit with her niece Mrs. M. S. Keys.

Mr. and Mrs. E. L. Dillon left for their new home in Winchester where Mr. Dillon will teach agriculture in the community high school.

Miss Ethel Gordon of Palmyra is spending her days visiting her friend Miss Dorothy Kennedy.

Mr. and Mrs. George Hopper and Mr. and Mrs. Charles Kerns attended the funeral of Miss Dorothy McTaggart at Divernon.

J. HERMAN

CHICK EVANS WINS SIXTH GOLF TITLE

Did Not Extend Himself to Defeat R. E. Knepper of Sioux City, a Princeton University Player.

CHICAGO, July 16.—R. E. Knepper of Sioux City, Iowa, champion, carried National Champion Chick Evans of Chicago to the 34th green today before Evans could annex his sixth title as Western Amateur Golf Champion 3 up and 2 to play at Westmoreland Country Club. Evans did not have to extend himself, however, as the Iowa was over golfed, having all last week in the Iowa championship and had hard matches this week in the western.

Knepper was never up except once, losing the first hole 4-5 by getting in a pit. He squared the match by taking the second hole 4-5 with a ten foot putt and he held the champion to even pairs for the next five holes.

Then on the short 5th the Iowa won 3-5 and held the lead to the first turn only to lose it on the 10th where Evans scored a birdie three. Evans won the 12th and the 13th, stopping for luncheon 2 up. This advantage was increased to three up at the 19th and the champion by winning the 21st, the 22nd and the 23rd, reached his maximum lead of six up. Evans dropped the 27th and 28th but became dormie five by winning the 30th with a birdie and halving the 31st. Then he prolonged the struggle by accidentally moving his ball on the 32nd green and getting into bunker trouble on the 33rd, dropping both holes to become dormie three. The champion with a perfect 4 on the 34th ended the match, Knepper having to play out of a trap to halve the hole.

Evans played 21 holes in par 4 in one under par and on nine he went above perfect figures, while Knepper had three birdies, 22 pars and ten above par. The champion was on the straight line nearly all the way, getting in bunkers only three times and against the roots of a tree once, while the Princeton golfer was off the fairway frequently and played from sand traps a dozen times.

FISHING TACKLE, TENNIS AND GOLF GOODS, BASEBALL GOODS, Icy Hot Bottles, Refrigerator Baskets, Auto Baskets, Luggage Carriers. Anything and everything for sports and autos at BRADY BROS. Prices right always.

INDEES WILL PLAY MERCHANTS TODAY

Springfield Aggregation Will Show Here for First Time This Season—Good Game Is Promised Fans.

Smith's Indees will play the Springfield Merchants at South Side Park this afternoon. This is a new aggregation, that is to local fans.

However, the Merchants have some good men in their lineup and have been playing good ball around this section for several years. It has just happened that they never booked a game here.

The Indees have not had much luck with Springfield teams so far this season. They lost three games to Roberts' brothers and two to Myers' Brothers so far. Unless a reversal of form is shown they may have tough sledding today.

Last Sunday the Indees looked good at bat for the first time this season. Denney and Cox have been the only players hitting with any consistency. Sunday Clark and Ruble gave signs of getting their batting eyes back. Burkery, the youngster, also hit well and promises to develop into a cracking good ball player with a little experience.

The game this afternoon will be called at 3 o'clock with Walter Ely holding the indicator. Padgett probably will pitch but Hamm may draw the assignment. The lineups.

Merchants—J. Goldsmith ss, H. Goldsmith 2b, Miller 3b, Lowery c, Pruitt lf, Menosky cf, Kafa rf, Vesling 1b, Chestnut, E. Kafa p.

Indees—Denney 2b, Wheeler cf, Ruble 2b, Cox 1b, Christopher lf, Burkery ss, DeFrate rf, Clark p, Padgett, Hafim p.

NO BATTERY

will compete with the

For the Electrolyte Storage Battery possesses new features that are exclusively its own, that revolutionize Storage Battery standards.

The Electrolyte Battery has no separators! That's the radical point of difference and improvement over the ordinary kind. The current has free access from plate to plate owing to the absence of pulpy separators; sulphation is prevented and plates never buckle.

The patented construction of this phenomenal battery by eliminating internal resistance not only dispenses with separators, but it gives 13 plates five to ten times greater momentary discharge than other batteries of the same size and type.

Sold on 18 months written repair or replacement guarantee. These special features make a big appeal to motorists who know through experience the common causes of storage battery trouble.

BRAN LOWEST IN 15 YEARS" J. H. Cain's Sons said yesterday but bran is now the lowest in fifteen years. They are selling bran at \$1.00 per hundred pounds. Both phones 240.

Read Shanken's ad on page 14.

CALL TO CARROLLTON Mrs. P. P. McKinney of Chapin passed thru Jacksonville Saturday enroute to Carrollton, where she was called by the illness of her brother-in-law, Robert Hardcastle.

ENGAGED IN HARD ROADS WORK George Harney is spending the week-end with his parents on West North street. Mr. Harney has taken a state civil service position for the summer and is engaged in hard roads work.

Read Shanken's ad on page 14.

Deaths

Campbell. Little Bernita Grace Campbell, five year old daughter of Mr. and Mrs. Joe Campbell of 919 South Clay avenue, passed away at the family residence Friday morning at 7:30 o'clock. The little girl was born in the Chapin neighborhood and was five years and eleven months old at the time of her death. Funeral services will be held at 2:30 o'clock Sunday afternoon at the Campbell residence on Clay avenue. Rev. Thomas Symons of Concord will officiate and interment will be made in the Concord cemetery.

Wilson. Mrs. William T. Wilson, former Jacksonville resident, died in Kansas City Saturday morning at two o'clock. Mrs. Wilson was born and raised in Jacksonville where she had many friends. The funeral will be held in Kansas City Monday. Several Jacksonville relatives are expected to attend. Burial will be made in Mt. Washington cemetery. Survivors are the husband and one son, Walter Wilson of Greeley, Colo., four brothers, Edward Coverly, of Denver, Colo., Charles Coverly of Kansas City, Alfred and William N. Coverly of Jacksonville, and four sisters, Mrs. Harry Lay of Kansas City, Mrs. Edward Phillips, Mrs. William Eyles and Lavinia Coverly of Jacksonville.

Ice Cream Social, Brooklyn church lawn, Tuesday evening, July 19th.

NEW HOME SANITARIUM NOTES The final twenty room addition to the New Home Sanitarium is being rushed as rapidly as possible. When ready for use, this will make a valuable addition to the present facilities.

W. L. Lucas of Edwards, Mississippi, who has been seriously ill at the sanitarium is rapidly recovering. W. S. Howard has returned to his home at Jackson, Mississippi after spending a few days at the sanitarium.

The three weeks old baby of Mr. and Mrs. B. N. Murrell is recovering in a gratifying manner from an operation performed last Tuesday.

J. H. Rhaebel of Danville, who recently underwent a serious operation at the sanitarium has returned to his home.

Mrs. Anna Rumble and her daughter, Beulah, of Astoria are recovering from their recent operations.

Read Shanken's ad on page 14.

Funerals

Prince Funeral services for Miss Carrie Prince were held at the residence at 860 Grove street, Saturday afternoon at five o'clock. The Rev. T. H. Tull was in charge with Dr. F. M. Rule assisting. The body will be taken to Lincoln, Illinois, for burial, leaving Jacksonville Sunday morning at 8:50.

REAL ESTATE TRANSFERS Jacob Walker to Allen Edwards, pt. lot 2, Melndy's addition \$1,550. Myra Preston to H. L. Christison, lot 15 Wolcott's addition, \$1.

Read Shanken's ad on page 14.

J. Cohen and sons wish to thank the members of the fire department and others who assisted in putting out the fire Friday night.

DR. WOLTMAN NAMED COUNTY PHYSICIAN

Board Will Try Out New Plan in Handling County Medical and Surgical Cases.

The county board yesterday appointed Dr. H. C. Woltman as county physician and he will enter upon his services the 20th of this month. It was made known at the same time that the appointment of Dr. Woltman as a member of the tuberculosis board is a temporary matter and he will later resign from membership in that board. Dr. Woltman's salary it is understood will be \$1500 a year for his services as county physician and surgeon, with payment of \$1200 a year additional for treatment given patients at the jail and county home.

In the past it has been frequently the custom for residents of the county unable to pay for medical or surgical care to summon some physician other than the one regularly appointed by the county, but the charges for services have been paid by the county. The board of commissioners with the appointment of Dr. Woltman is starting a new rule. Sick persons who are dependent upon the county for medical or surgical care must have the services of Dr. Woltman. If any other physician or surgeon is called the bill will not be paid by the county. In other words, it is optional with the sick person as to the physician or surgeon whose services he has, if the services of the regularly appointed county physician are not satisfactory then the county will not assume the responsibility for the debt incurred.

The yearly salary which Dr. Woltman will receive as county physician is larger than that which has been paid in the past, but that salary by no means represents the service of physicians and surgeons who cared for the poor of the county.

Under the present arrangement the board is expecting to save a very considerable sum by comparison with the expenditures made in the past for the care of the sick. While the work of the county physician will be the main part in Jacksonville precinct, he is also expected to care for any surgical work which may be necessary outside the precinct. County patients brought to the hospital here from any part of the county will be under his care.

FILMS—KODAKS GILBERT'S Drug Stores

MANCHESTER

Miss Helen Ellington returned Friday from a week's visit with friends in Springfield.

Mr. and Mrs. J. C. Robinson returned Saturday morning from Nebraska, where they were called by the death of the latter's brother, Jesse McMahan.

Mrs. Minnie Ludwig of White Hall spent Friday evening with Mrs. W. C. Ellington in Manchester.

Bodie Greenwalt and sisters, Misses May and Fay Greenwalt, went to Bloomington Friday for a few days' visit with relatives. Eugene Rochester is in Jacksonville for a brief visit at the home of Paul Jones.

Miss Lucille Smith returned from Murrayville Friday evening after a visit with relatives. James Preston is clerking in the C. D. Chapman store during the absence of Guy Brown, who is away on a vacation.

Charles Welsh of near White Hall was calling on old time friends here Saturday. Mr. Welsh lived here many years ago and is well known in the community, although he is not a frequent visitor.

BOOZE SELLERS CAUGHT AT ALEXANDER

Three Arrested by Sheriff's Force for Peddling Home Brew Liquor.

Three men who were boldly engaged in the sale of liquor at Alexander Saturday night are now guests of Sheriff Weatherford at the county jail. Information came to the sheriff's force Saturday night that three men traveling in an Oldsmobile were selling whiskey at Alexander. The men from the sheriff's office made a quick trip to Alexander and had no difficulty in locating the booze vendors. In fact, the three were seated in the car, had several gallons of whiskey in a container and a still further supply in bottles. The liquor is all of the home brew variety. The men when arrested gave the names of Jack Raftery of Woodruff, Harry Pence of Hillview and P. Leach of Woodruff. They will probably have a hearing Monday.

WILL CELEBRATE 50th ANNIVERSARY TODAY Shiloh Methodist church will celebrate the fiftieth anniversary of its founding today by an all-day meeting at the church, with dinner served on the lawn at noon. The Shiloh Ladies Aid society will have charge of the dinner, which will be served in cafeteria style.

At the morning service, the Rev. E. L. Fletcher will speak on the topic, "The Historic Glory of the Church." A platform service with several speakers will be held in the afternoon.

MAIL CARRIERS WILL HOLD CONVENTION The annual state convention of mail carriers is to be held in Galesburg July 29 and 30. Carriers of the Jacksonville post office are expecting to send representatives. Local carriers will also probably be represented at the national convention which will be held in St. Louis early in September.

Social Events

Entertain Guests

Mrs. Earl Angier and Mrs. William Corey and family of Beardstown were house guests at the home of Miss Josephine Yeck on West College avenue Saturday.

Chapin Woman's Club Met Friday.

The Chapin Woman's club met Friday afternoon at the home of Mrs. Grover C. Smith, with twelve members and two guests present. The guests were Mrs. Oswald Coultas of Peoria and Miss Clark of California.

Reception for Miss Lee

Mrs. Frances Brown was hostess at a delightful informal reception given yesterday afternoon at her home on West State street in honor of Miss Cordelia Lee of Kansas City who is a guest of Mrs. Brown. A limited number of guests were invited to meet Miss Lee at Mrs. Brown's attractive apartment. During the hours of the reception dainty refreshments were served.

Miss Mayer Given Farewell Picnic

A farewell picnic was given last evening at Nichols park in honor of Miss Marguerite Mayer who is soon to leave for Los Angeles, Cal. About twelve of Miss Mayer's friends took baskets of good things to eat out to the park about 6 o'clock and a fine supper was enjoyed. Mrs. Claude Vail and Miss Charlotte Hazen were among the friends who arranged the party in Miss Mayer's honor.

To Picnic at Clear Lake

A number of local people are planning to go to Clear Lake today and spend the day. Fishing swimming and a fine picnic dinner served at noon is the order of events planned for the day's outing. Among the party who will motor to the lake early this morning are, Mr. and Mrs. Earl Carlisle and family, Mr. and Mrs. William Hutson and family, Misses Clara Peake and Genevieve Westrope and Carl and Withee.

Entertain Chapin Society

The members of the Missionary society of the Chapin Christian church were entertained yesterday afternoon by Rev. and Mrs. F. M. Crabtree at their home on Lockwood Place. There was a short business session held presided over by Mrs. Stone. The hours from two to four were pleasantly spent in a social way and delicious refreshments were passed by the hostess. Rev. Crabtree is the pastor of the Chapin church and the members of the society enjoyed greatly the generous hospitality of their pastor and his wife.

Gave Supper Party

Miss Lynette Mae Brown was hostess at a buffet supper party given last evening at her home on West State street. The affair was in honor of Richard Knight of Champaign who is a guest in the city. About eight couples were invited to eat o'clock supper and after the serving of a delicious menu, the evening was spent in dancing.

Friends Give Surprise Party

Albert Antle was given a real surprise party Friday evening by a large number of his friends. The occasion was Mr. Antle's birthday and his friends gathered at his home southeast of the city at about 7 o'clock and gave him a genuine surprise. There were about fifty guests present at the party and they all came loaded with good things to eat. The early part of the evening was spent with games and later fine refreshments were served. Among the people who motored out to the Antle home from Jacksonville to attend the party were, Miss Ethel Taylor, Miss Lucille Plought, Miss Lucille Frogge, William Frogge and Clarence Taylor.

Celebrated Her Birthday

Among the honored residents of Franklin precinct are Mr. and Mrs. U. Cox who have lived in that vicinity well nigh half a century. Friday was Mrs. Cox' birthday and her family and friends decided on a suitable celebration and it was truly enjoyed. Mr. and Mrs. Cox have six children, one Ezra, living in Texas, and all the others in this vicinity and all were there. They were Leslie and family, Mrs. Eva Wilkinson and family, Lloyd, Oliver and Bert and families.

Early in the day the guests began to arrive with baskets containing a liberal supply of the good things of life and by noon nearly seventy people were present. The dinner was prepared and spread before the guests who fully enjoyed the good things in such abundance. A purse of money was presented Mrs. Cox and she was the recipient of many congratulations and good wishes for many returns of the occasion.

FIRST SHOWING OF NEW FALL SUITS AT HERMAN'S

LAND NEAR MURRAYVILLE SOLD SATURDAY AFTERNOON Land belonging to the estate of the late James A. Patterson situated five miles northwest of Murrayville was sold by Master in Chancery Henry W. English at the Murrayville State bank Saturday afternoon. The tract, which comprises 80 acres, was purchased by Fletcher Patterson at \$85 per acre. The land is level but of only fair quality. The price at which the tract was sold is accounted very low, and the fact that there were no higher bids was probably due to the reluctance of persons to bid against heirs.

SPENDING WEEK END ON THE POTOMAC

WASHINGTON, July 16.—President and Mrs. Harding again left Washington late today on the Yacht Mayflower for a week-end cruise down the Potomac. They will return Monday morning.

Accompanying them on the cruise are Gen. Pershing, Attorney General Daugherty, Charles Dwas, director of the budget; B. C. Forbes, director of war risk insurance; Senator New of Indiana and Mrs. New; Senator Edge of New Jersey; Brigadier General Sawyer, the president's physician and E. B. McLean a Washington publisher and Mrs. McLean. A wireless message from the Mayflower tonight said: "Off Sandy Point, good weather. All well."

Y. M. C. A. NEWS

Eight teams of fifteen men each are entered in the Y. M. C. A. Twilight Baseball League. Some of the best games ever played in this league are being played this summer. The following teams are playing: Ell Bridge Co. Merchants, Baptist S. S., Cigar Makers, Capps Factory, Press, Express Co. and the Post-office. The games are played

four nights a week on the State Hospital diamond.

By the will of the late Frank H. Armstrong, for many years a member of the board of directors for the Evanston association, a bequest of \$10,000 has been left to the Evanston Y. M. C. A. The endowment of this association now totals \$80,000.

G. L. Rigg, county secretary for White county, reports that 33 boys have attended the White county camp. Five boys decided for the Christian life, and will unite with the church. A business man who saw the camp has offered a permanent camp site, and has agreed to secure \$1,000 for equipment.

Conditions may not be normal in the rural sections of the state, but it is interesting to note that the Vermilion county finance committee believe so much in the importance of the Association program as to increase the budget for Vermilion county from \$6,000 to \$10,000 for the current year. Among other very definite results 34 boys and young men have made the decision for the Christian life in this one county during the year.

TO SEND ORGANIZERS FOR MINE WORKERS

CHARLESTON, W. Va., July 16.—Organizers of the United Mine Workers of America from other states will be sent into the Mingo county mining region immediately to take up the duties of David Robb, industrial financial agent and his associates who have agreed to leave West Virginia by next Monday night. Phillip Murray, international vice-president of the union said tonight.

Robb and other union leaders yesterday were given the alternative of leaving the state or returning to jail for alleged violation of the proclamation of martial law. Mingo after the state supreme court had refused to grant writs of habeas corpus in their cases. Notices that the cases will be appealed to the United States supreme court have been filed, Murray said.

Mrs. Thomas Jenkinson has returned to her home in McAllister, Okla., and took along for a guest her husband's mother, Mrs. E. A. Jenkinson for a visit.

"Say is That the Truth?"

"Say, is that the truth?"
"Sure it is."
"Do you mean to tell me you got that good-looking photo album, pencil and art corners all for a dollar and a half?"
"Sure I do."
"Well, what was the matter with them?"
"Not a thing; the store had just bought a lot at a special price and were giving a white pencil and package of corners with each album. You know the pencil writes white and the corners hold the pictures in."
"And all for a dollar and a half? Say, I'd like to know where that store is."
"Well, its that Drug Store on the east side of the square, next to Rabjohns & Reid's. Coover's is the name."
"I'll sure go look at them anyway. Good-bye."
"Good-bye, Kate, don't forget the place."

With Morgan County Poets

The comments received on the Journal's initial poetry column
help to justify the belief that most Jacksonville people have a real
interest in poetic expression.

Neither of the poems used last Sunday had ever appeared in
print before. Both of today's have had previous publication, tho
not in any Jacksonville newspaper. The poem, "To a Sea Nymph," ap-
peared in an anthology of Illinois College Verse entitled "Up the Hill."
The sonnet on Clouds was published in the American Poetry Magazine
where it took one of the monthly prizes, and was reprinted in the
Chicago Tribune and other city papers.

Contributions for the column should be addressed to "The Proof-
readers," in care of the Journal office.

TO A SEA NYMPH

In the silence of the darkness
Come to me,
When the sable night is falling
O'er the sea,
When the stars peep out at even,
Gliding thru the trackless heaven,
And the winds are gently calling
From the lea,
Then come to me.

In the chambers of thy palace
Neath the waves,
Down where men who tempt the waters
Find their graves,
I can hear thy sirens singing;
And the subtle echoes ringing,
O thou queen of sea god's daughters,
Thru thy caves,
They call to me.

When the white capped billows thunder,
Welcome me,
When the lightning drives the shadows
From the sea;
In the hour when stars are paling,
When the untamed winds are wailing,
Thru thy wondrous emerald meadows
Luring me,
I come to thee.

—ERNEST C. RUTHERFORD

CLOUDS

When as a child I watched the drifting clouds,
I saw not vapor in the air upheld;
I saw the ships that tropic winds propelled,
Ships filled with treasure, manned by pirate crowds.
I saw processions cross the magic sky
Of mounted errant knights in quest of fame.
I saw the Red Men stealing on their game
Among the cloudy forms that floated by.

Those happy days have slipped away, how fast!
I would that I could call them back again,
And picture with Imagination's pen
As when a child I watched the clouds drift past.
But Care has come, and Fancies disappear,
And clouds are only misty atmosphere.

—WAYNE GARD.

BLUFFS FAMILY MADE TRIP TO COLORADO

A. J. Strahan and Family Return
from Colorado Trip—Other
News of Interest from Bluffs
and Vicinity.

Bluffs, July 16.—Mr. and Mrs.
A. P. Strahan and son Richard
have returned from points in
Colorado where they have been
visiting for the past two weeks.

Mr. Frank Parker was a visitor
in Griggsville Tuesday.

William Hildebrand and fam-
ily have returned from Griggs-
ville, where they have been vis-
iting his parents, Mr. and Mrs.
Charles Hildebrand for the past
two weeks.

Mrs. Frank Halpin and baby
of Springfield are the guests of
Mesdames Charles Fitzsimmons
and P. M. Green.

Mrs. Maggie Berry visited her
nephew and son-in-law, Fred
Buchanan and wife in Jackson-
ville Thursday.

Mrs. Annos Leib of Exeter
spent Friday with her nieces,
Mrs. Lee Baird and Mrs. Belle
Simpson Friday.

The American Legion boys gave
a moonlight excursion on the Illi-
nois river Thursday night. The
net proceeds amounted to \$50
which was placed in the Legion
treasury. These short excursions
have become very popular and a
nice crowd of young people enjoy
a pleasant evening in dancing.

Ed Ranft and family expect to
leave by auto Sunday for their
new home at Selot. They ship-
ped their household goods and
implements from their hardware
store Saturday. Their cottage
home will be occupied by Mr. and
Mrs. C. A. Phillips.

Mrs. Clayton Buchanan of
Genmore, La., has arrived for a
visit with Mrs. Mary Buchanan
and family.

Mrs. F. Parker was a visitor
in Griggsville Tuesday.

Walter Nortrup who has been
located at Okmulgee, Okla., for
the past year, arrived for a ten
days' visit with his parents, Mr.
and Mrs. Richard Nortrup.

LADIES' AID SOCIETY TO HOLD MEETING

The social meeting of the Lad-
ies' Aid society of Centenary
church will be held Thursday af-
ternoon at 2:30 with Mrs. Thomas
Clampitt, 613 S. Main street. The
following ladies will be hostesses
Mrs. J. F. Pitner, Mrs. John Kirk-
man, Mrs. Thomas Buckthorpe,
Mrs. Charles Hankins, Miss Em-
ma Peterson, Mrs. Alex Platt and
Mrs. Seymour.

RETURNS FROM CHICAGO

Mrs. D. L. Bentley returned to
her home on West Lafayette ave-
nue Thursday from Chicago,
where she had been a patient at
Mercy hospital for the past six-
teen weeks, taking treatment
from the noted Dr. Mix. Mrs.
Bentley speaks very highly of
the treatment she received at the
hospital from the sister and
nurses.

Mrs. Erwin Goviea and chil-
dren made a trip to the city yes-
terday from West of Lynville.

POPULAR CAMPING PLACE

Nichols park is becoming more
and more popular as a camping
place and its fame is spreading
over the land. One tourist said
he heard of it in Danville and an-
other man traveling eastward in
Missouri met a party who had
camped in the park and advised
them by all means to figure to
stay there all night.

Thru the generosity of Supt.

Sullivan of the Eli Bridge Works
a number of signs have been pre-
pared inviting tourists to camp at
Nichols park. Any public spirited
citizens willing to do a patriotic
act will do well to aid in putting
up one or two of them when trav-
eling thru the country. There
should be one at each river ferry
and others on the principal roads

leading to the city. The signs are

at the Journal office.

Preaching

- Everybody is telling everybody else how to bring prices down and business back home.
- We are handling both nicely, thank you, down here on South Main street.
- Call in and let us show you how it is done.
- Good, honest, merchandise at a fair price, low overhead, personal contact with the customer—just those little things have made us grow into one of the "big" shops of Central Illinois.
- Summer furniture now is particularly low priced.
- The next time, Mrs. Housewife, that you are looking around, turn the corner at the south side of the square, down South Main street a little ways, and see what we are doing in price reduction.

ILLINOIS WOMAN DIDN'T WAIT LONG

Acted at Once as Soon as She Started Going Down Hill—Now Feels Fine Again.

"I wasn't what would be called sick exactly, but I needed something to build me up and that is what Taulac has done," said Mrs. John E. Heffron, of East Dubuque, Ill.

"It is quite unusual for me to be in poor health, but for two or three months before I took Taulac my food was not agreeing with me and I had what is commonly called a sour stomach. I had heard Taulac was a wonderful medicine, so I did not let my case get any and before trying it.

"The results were all I expected, for I began to improve right from the start. I have a splendid appetite, my digestion is perfect and I'm sleeping sound every night. There is no doubt about Taulac being different from all other medicines. I'm convinced it has no equal. I think it's just grand the good it does people and I never miss a chance to tell what I know about it."

Taulac is sold in Jacksonville by the Shreve's Drug Store.—Adv.

MAVERICKS

The Small quiz promises to be a big one before it is finished.

TO GOOD TO BE TRUE

Some days ago the dispatches carried a story that Lenin had jailed Trotsky. However, the story proved to be untrue.

It was rather hot the past week but it is said the worst is yet to come.

Despite the rations of Mr. Brundage not many people will believe that the grand jury probe of Governor Small's regime as state treasurer was formulated last January.

Premier Lloyd George and Eamon DeValera taking tea together is almost as great a miracle as that of the Lion and Lamb slumbering side by side.

We wonder if they had anything stronger than tea.

Stillman's yacht Modesty must have blushed in shame at the scenes enacted on her in the testimony given in the Stillman divorce trial is true.

A Michigan man applying for divorce was faced at court and in explaining to the Judge how it happened, said he was waiting for his wife to dress. When the court found that they were still living in the same house he dismissed the case. Moral: Don't get in the habit of waiting for your wife to dress.

Wisconsin women are given the right to wear trousers and chew tobacco. If they can stand chewing tobacco they have our permission too.

Two aviators are going to fly from Mexico to Siberia. We can readily understand why anyone should want to fly away from Mexico but why they should want to fly to Siberia is a puzzle.

Back in 1912 Dick Sullivan, the Sangamon county boss and Governor Small were bosom friends. Mr. Small was then a candidate for governor and was touring the state with Lorimer. We remember a meeting held in Chatterton's opera house in Springfield in that year when Mr. Sullivan was the chief ringmaster. Now Mr. Sullivan is a bitter enemy of Governor Small and is said to be one of the powers behind the grand jury investigation going on in Springfield.

Why, Oh Why, should a news writer bring the name of Abraham Lincoln into the political muck that is being spread between Small and Brundage in Springfield?

The council decrees that weeds must be cut. It is to be hoped the decree will now be enforced for there are many violations of the ordinance right in the business district.

The press carried a Champaign dispatch recently to the effect that because of the vetoing of a part of the University of Illinois appropriation by Governor Small that pupils would be compelled to attend school in wooden buildings the coming year.

Now, that would be too bad. However, most of the great men this state and the nation have produced received what little schooling they were able to get in a log schoolhouse. Some of them, like Lincoln, had to educate themselves in a log cabin reading by the light of a log fire. Perhaps it may help to develop some men of the present day and age into really great men if they go back to the more primitive ways of education. At any rate if they have brains they will get just as much knowledge in a wooden building as they would in a stone structure costing a million dollars.

Even the weather is not normal. C. W. D.

DIDN'T SELL THE HOGS

A gentleman yesterday remarked to the writer that the article Southwestward reminded him of a transaction with John Vasey that didn't take place. Some years ago when hog cholera had in the county Mr. Vasey had about eight fine ones averaging well toward 300 pounds but they began to die and he burned them as they fell. A buyer came along and saw the fire and asked him how many he had left and he replied the greater part of the drove and the dealer offered to buy them knowing that they all were more or less affected but Mr. Vasey refused saying he would lose the money before he would sell a sick hog.

Miss Nesta Eades of Peoria is visiting at the home of Mrs. A. C. Bolle.

MISS SUSIE LYNCH RECEIVES A LETTER OF CONGRATULATION

A few weeks ago, the National Baptist Sunday school congress of which Dr. B. H. Boyd of Nashville, Tenn., is president, met in Little Rock, Ark. Of the thousands of delegates present from different states, Miss Susie Lynch was a representative from the Mt. Emory Baptist Sunday school of Jacksonville, Ill.

While there, she tried the best she could to get as full a report of the congress as possible and give to the general public thru the Wood River Religious Informer of which she is correspondent and associate editor.

Saturday, she received a letter from T. W. Warrick, one of Springfield's best colored citizens who is in the insurance business there. He was also a delegate to the congress. The letter read: "Dear Miss Lynch:

I wish to congratulate you for the manner in which you reported the "doings" of the National Baptist Sunday school congress in the Wood River Religious Informer. I read every word of your matter. It was interesting from the beginning to the end. Those who did not attend the congress, and read your report, I know, enjoyed the information you gave. You are a power with the pen, a credit to your city and race. May success attend you. Your truly, T. W. Warrick."

RADIATORS MADE as good as new with our new core system and you can have your car back the same day. BRADY BROS.

ning service. A cordial welcome to all. The ladies of the Guild are requested to meet after the morning service.

Grace Methodist Episcopal church—Thomas H. Tull, pastor. Sunday school at 9:30 a. m. T. V. Hopper, superintendent. Morning worship at 10:45. Theme of sermon: "The Message of the Book of Ruth." Epworth and Junior League meetings at 6:30 p. m. Evening worship at 7:30. Rev. A. P. Howells, pastor of the First Baptist church, will preach the sermon on the subject, "A Verse From An Old Song." Miss Nellie Self will sing. Prayer meeting on Wednesday evening.

Northminster Presbyterian church—Walter E. Spooner, minister. Preaching at 10:45 a. m. and 7 p. m. Dr. Rule will fill the pulpit at the morning hour as the pastor is away. The evening service will be held on the lawn of Martin Souza in the country, northeast of the city. There will be good music and a general good time. There will be four short talks by the following speakers: William Bieber, W. C. Sperry, A. F. Sardinia and Simeon Fernandes. The pastor will be back for the next Sunday services. Sunday school at 9:30 a. m. William Bieber, superintendent. The school had the largest average attendance the first half of the year in its history. The school is working for 400 by the first of August. Come and help us out.

Congregational church—George E. Stickney, minister. Church school at 9:30. Dean G. H. Scott, superintendent. Dr. Post's Bible class at 10. There will be no preaching service until September. Midweek service at 7:30 Wednesday.

State Street Presbyterian church—Rev. W. H. Marbach, pastor; T. M. Tomlinson, Sunday school superintendent; Mrs. Barr Brown, choir leader; Mrs. Helen Bullard, organist. A damaged reputation is hard to repair and a damaged Sabbath Day still harder. Remember the Sabbath Day to keep it holy or face the consequences. A good way to keep it holy is to spend an hour in worshipping God. Morning worship at 10:45 o'clock. Bible school, with classes for all at 9:30 o'clock. Christian Endeavor at 6:30 p. m. Union evening service at 7:30 o'clock. Welcome.

Central Christian church—Myron L. Pontius, minister. 9:30 a. m. is the hour when the Sunday school begins. Six departments in session with suitable classes for all who are present. Morning worship at 10:45. The theme of the sermon will be "The Boy in the Temple." Worship in the evening at 7:30. Sermon on the theme, "Is Our Nation Christian?" Mrs. Abe Weill will have charge of the music. Christian Endeavor society meetings at 6:30 p. m. A cordial invitation is extended to all not worshipping elsewhere.

Brooklyn M. E. church—G. W. Randle, pastor; J. H. Reid, Sunday school superintendent. Sunday school at 9:30 a. m. with special emphasis on the Men's Bible class. Epworth League devotional meeting at 6:30 p. m. Junior League devotional meeting at 6:30 p. m. Public worship at 10:45 a. m. and 7:30 p. m. The speaker for the morning hour will be a representative of the Anti-Saloon League. For the evening hour on the lawn, Rev. Raye Ragan. The subject of the mid-week prayer service Wednesday evening at 7:30 will be the "Breastplate of Righteousness."

First Baptist church—Superintendent Kopperl, after his recent accident, will be back in the Sunday school at 9:30 Sunday morning. You will want to be there to tell him how glad you are that he isn't there in a gray box with silver handles. These are hot days for Superintendent Swift at the Baptist Mission, but the Sunday school still meets at 2:30 p. m. "Hold Up Your Corner" will be the sermon subject preached by Act-

ing Pastor Rev. A. P. Howells at 10:30 a. m. Down below in the comfortable prayer meeting room at 6:30 p. m. the Baptist Young People's Union will discuss the subject "Judging Kindly." Out on the lawn of the Grace Methodist church at 7:30 p. m. Rev. Howells will preach on the subject, "A Verse From An Old Song." Miss Nellie Self will sing. Leave your fans at home on Wednesday at 7:30 p. m. Sample the coolest room in town on the northwest corner of the church, State street. Memorize a verse from "The Grape Vine Chapter" of John for the midweek service. Thank you!

Westminster Presbyterian church, corner West College avenue and Westminster street—Sunday school at 9:30 a. m. Morning worship at 10:45. Mrs. Helen Brown Read will sing "Teach Me to Pray," written by Jessie Mae Jewett. George W. Gunn, baritone, will sing "Judge Me, O God," written by Dudley Buck. Dr. Smith will preach upon "Turning the World Upside Down." Dr. Smith will leave for his vacation Tuesday. On Sunday, the 24th, Rev. Arthur F. Evert of the New Eighth Presbyterian church, Chicago, will preach. On Wednesday evening, the 20th, Dr. Fred C. Noyes will lead the meeting.

Pisgah Presbyterian church—On Sunday, the 17th, the Sunday school will be held at 2:30 p. m. The regular church service will be held at 3:30. Dr. Thomas W. Smith will preach. Miss Katherine Barr will sing.

Lovelier Fabrics for a Lovelier Summer

WAS there ever a Summer when you needed so many clothes? Or when fabrics were so tempting—the prints with their trim little patterns, organdies deliciously colored, dotted swisses like mounds of snow, and crêpes, voiles and mulls soft as cobwebs? Just as you are sighing a bit wistfully, our piece-goods department surprises everybody with sweeping values. Not to be outdone, our pattern counter makes known a wonderful new invention—

The DELTOR

—with every new Butterick Pattern Saves you 50c to \$10 on material alone

By three simple steps, the Deltor transforms the frock you make into a "creation."

First, it shows you how to lay your pattern in your size, in every suitable width of fabric, so skillfully, so economically that you use 1/4 to 1 1/2 yard less material than you ever used before.

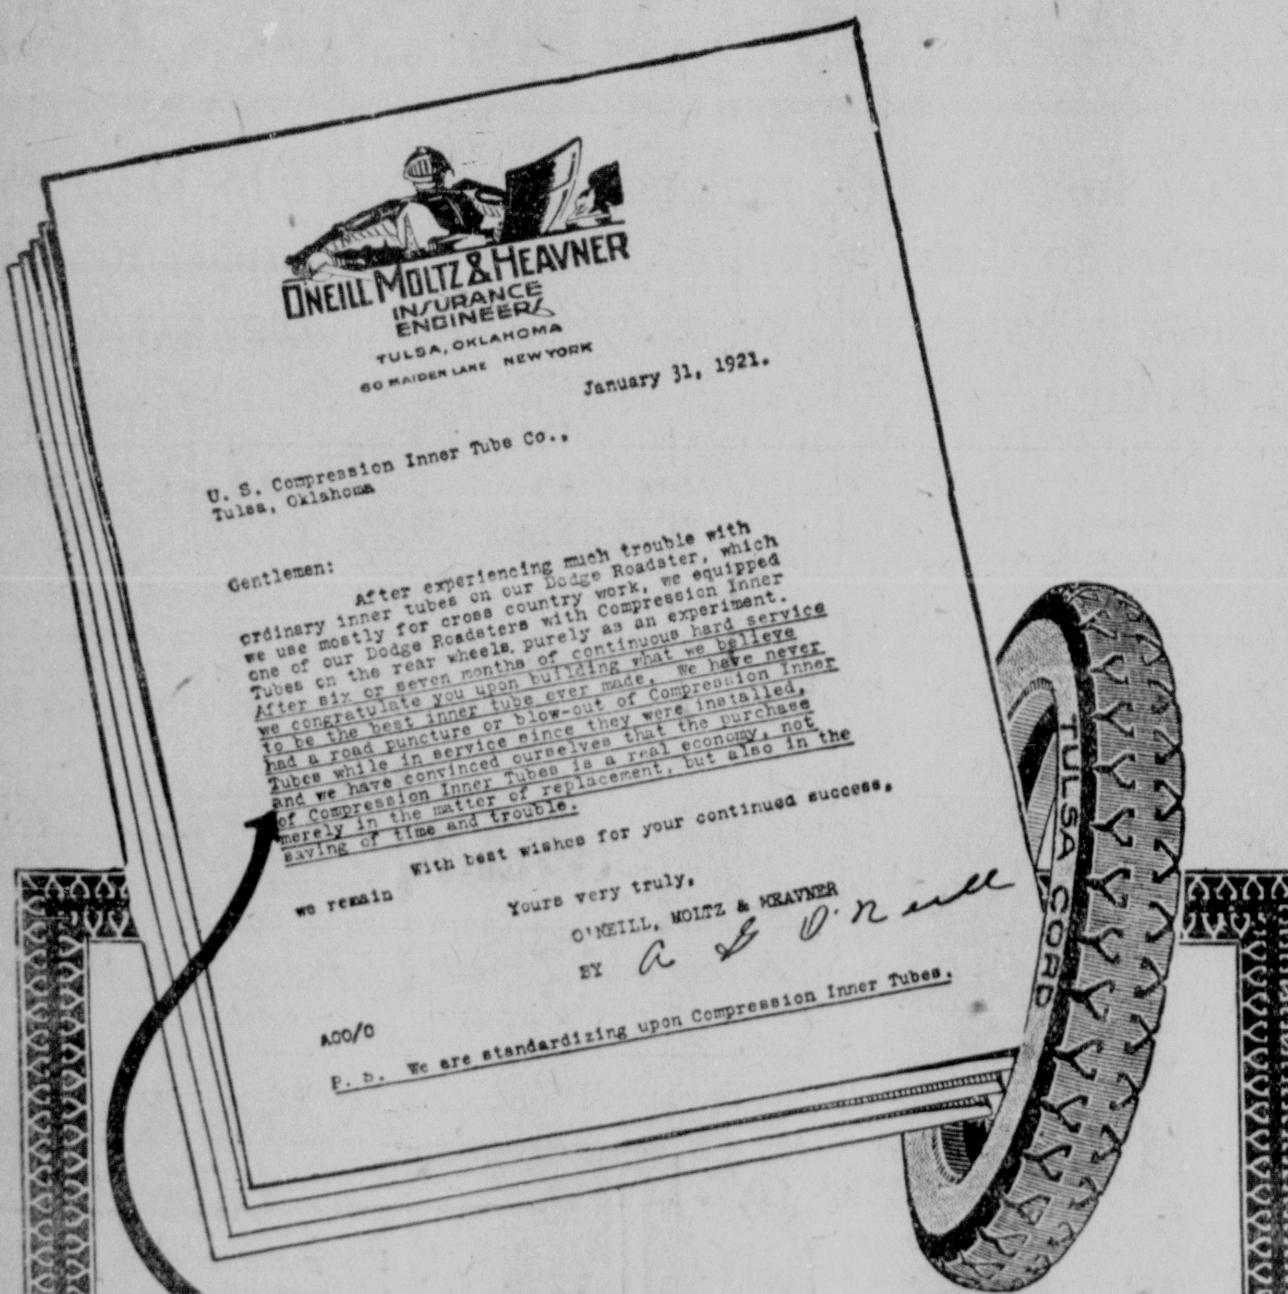

Then it gives you a simple, step-by-step picture guide for you follow in putting your garment together. So

simple is it to follow that every perplexing problem of putting together is answered, and your garment attains the line and charm that you so often admired in the creations of expensive modistes.

And finally, one of the most important problems is answered. Each detail of finish, each perplexing question of adornment, so simply told to you that you unconsciously obey, and your gown is well entitled to the stamp of "Paris."

C.J. Deppe & Co

"Known for Ready to Wear"

"Convinced!" —that Compression Inner Tubes are a Real Economy"

True economy is not represented by any article bought because it is cheap, but by the article that will return most in service and satisfaction on the amount of money invested. Such an article is the Compression Inner Tube. BUY THEM—not because they are cheap, but because they are better. A demonstration will convince you.

PAIGE

The Most Beautiful Car in America

A Safe, Sane Investment

Our five passenger "Glenbrook" is a new 1921 car—not an old model re-painted and re-christened for the selling season. Keep that point in mind please. It amounts to a positive guarantee against sudden and unwarranted depreciation.

Furthermore, the price has been reduced to \$1635. You have only to look at the car to realize that no greater value was ever offered before, during or after the war. In fact, no such car was possible until 1921.

These are hard facts, and they are very important. Give them a little consideration and you will understand why the "Glenbrook" is so universally regarded as a safe, sane and profitable investment.

IF YOU WANT QUICK SERVICE moving or hauling, local or long distance, call Olin McManis at 1002 So. East St. 6-2-11.

Daily Market Report

WHEAT WAS EASIER; CORN AND OATS STRONG

By Associated Press.

Chicago, July 16.—Wheat was easier but corn and oats were stronger on the Chicago Board of Trade. Net results of the short session were recession of 1 to 2¢ in wheat, gains of 1 1/2 and 2 1/2¢ in corn and 1 to 1 1/2¢ in oats. Provisions made net gains of from 5 to 2 1/2¢.

The technical position of the wheat market occupied the traders at the start of the session and there was changing of holdings between the various options. Price moved rapidly but there was plenty of support on all breaks until just near the end.

Early there were renewed reports of blackrust in Canada but these were later discounted by opinions that damage would not be severe. This latter development offset to some extent a decrease in country offerings. Another factor was private advice from Europe that receding prices in England were below American offers and that England was offering wheat to Germany on credit. The market sagged at the end when longs started to liquidate and the close was at the low point of the day.

Corn was unaffected by the wheat situation. Numerous field reports said corn needed rain and with no general precipitation in sight, this condition was a considerable factor.

Oats followed corn closely and had for a stimulus reports of good seaboard inquiry for oats. Provisions were higher earlier on the bulge in the hog market and the strength in corn. When the advance became pronounced, however, there was fair selling by commission houses and the finish was well within the best figures of the day.

STOCK MARKET HAS VERY QUIET DAY

By Associated Press.

NEW YORK, July 16.—Barley 115,000 shares were turned over in today's stock market—the smallest daily total of the year. Price movements were in keeping with fractional limits. Short covering retrieved most small losses except in the case of American Gulf common and preferred. The day's news indicated additional industrial readjustment. The International Harvester company announced another cut in prices of tractors. Tool steel schedules also were revised downward.

Trade reviews by commercial agencies emphasized cautious buying for immediate needs pending more light on crop prospects. Actual loans and discounts of clearing house banks for the week contradicted slightly more than \$55,000,000.

Government bonds, including Liberty issues were steady but rails, industrials and international bonds were featureless on nominal dealings.

Chicago Livestock

By Associated Press.

Chicago, July 16.—Cattle—500; compare with week ago; Beef steers 25¢ higher; yearlings 35 to 50¢ higher; best fat she stock steady to 25¢ higher; other grades steady to unevenly lower; canners mostly 25¢ higher; butlers 50¢ higher; veal calves 50 to 75¢ up; stockers steady to 25¢ higher; feeders dull.

Hogs—5,000; active, 15 to 25¢ higher than yesterday's average; fairly good clearance; up 10¢ to 15¢; bulk better grades \$10 to \$10.50; bulk packing sows \$8.85 to \$9.25; pigs 10 to 25¢ higher.

Sheep—4,000; practically all to packers direct; compared with a week ago: Fat lambs 75¢ to \$1 lower; cull natives about steady; yearlings around 25¢ lower; sheep strong to 25¢ higher; feeder lambs 25¢ higher.

E. J. LOUIS LIVESTOCK

By Associated Press.

East St. Louis, July 16.—Cattle—450; compared to week ago: Steers and cows strong to 25¢ higher; light yearlings steady; butlers 50¢ higher; canners and stockers 25¢ higher; vealers \$1 lower.

Hogs—3,500; active, 10 to 15¢ lower; 15 to 25¢ off showwin in spots; top 10.85; bulk lights and medium weights \$10.50 to \$10.65; bulk strong weights and heavies \$10.25 to \$10.40; packers sows steady to 10¢ lower; pigs 25¢ lower up to 10.35; clearance good.

Sheep—None; compared to week prior: Lambs \$1 lower; sheep steady.

Forceful Facts Concerning the
Interests of Former Soldiers,
Sailors and Marines.

The Mexican army now numbers 16,748 officers and 77,289 men.

France has restored to cultivation 4,000,000 acres of battlefields.

The United States Army is to be reduced to 150,000 men by October 1.

Twelve and one-half years is the average life of a flier in the U. S. air service.

The oldest flag now in existence is the flag of Denmark, a plain red banner with a white cross.

During the World war army surgeons made use of hairpins several times for emergency operations.

Of the 500,000 Italian soldiers killed in the World War, less than half the number have been identified.

Ninety-eight per cent of the former service men who settled in Canadian lands thru government aid have made good.

New Jersey recently sent to approximately 40,000 former service men of that state bonus checks ranging from \$10 to \$100.

Nearly 1,000 elementary schools in London are to be provided with war shrines in memory of former pupils killed in the World war.

The French military academy of St. Cyr has established an aerotechnic department for testing and training student-aviators and working out aviation problems.

The Japanese army estimates for the next fiscal year amount to 260,000,000 yen (approximately \$130,000,000). This sum is slightly less than last year's estimate.

Resolutions were adopted at the convention in Detroit of the Disabled American Veterans of the World war, urging congress to provide speedy relief for disabled former service men.

Four hundred and four United States nurses recently graduated from the Walter Reed General Hospital, Washington, D. C. This is the largest class of graduate nurses on record.

The largest honor roll in America, on whose bronze tablets appear the names of men and women who died in the World war, was unveiled recently in Prospect Park, Brooklyn, N. Y.

The Port of Embarkation at Hoboken, N. J., thru which passed 1,825,578 United States soldiers during its opening, July 17, 1917, to the signing of the armistice on Nov. 11, 1918, has been formally closed.

The war department at Washington has on file finger-print records of more than 5,000,000 young Americans. The collection, which is believed to be the largest of its kind in the world, is largely the result of the national draft.

Because of the fine physical condition of members of the American Expeditionary forces the Belgian government has decided to make athletic and physical training compulsory for all young men entering military classes in the kingdom.

From the time the body of an American soldier is exhumed from the cemetery in France until it arrives in America the casket is handled separately. The coffins must not be laid on the ground, but on wooden strips and never one on top of another. This makes transportation a long operation.

Altho it is estimated that fully 90 per cent of the officers in the American army are in favor of the adoption of the open-neck turn-down collared blouse such as is worn by British officers, it is reported there will be no change of the present high-collared blouse.

The United States government has made a disbursement aggregating \$192,677,589.48 for disability in meeting compensation claims of former service men disabled by reason of wounds, injuries or disease incurred in the World war. Death claims of dependents total \$33,809,301.84.

Memorial trees for all American soldiers who enrolled in the World war to be planted along national highways of that state are to be labeled with an appropriate tag like the famous tin hat or overseas helmets that the boys wore in the overseas service. Each marker will bear the name of the soldier and his regiment. No rank will be given.

General John J. Pershing recently set a new style for army officers when discarding his high top boots and appearing at his office in regular O. D. trousers. Army regulations provide that officers on duty must wear regular army garb, but they have the alternative of wearing trousers instead of breeches, which require the wearing of boots or puttees.

Belleau, the little French village on the edge of Belleau Wood, is to be rebuilt by Americans as a memorial to the American dead in that historic battle. There were only about 85 houses in the little place and they were destroyed in the fierce fighting which ranged from Chateau Thierry along the Marne when the American troops turned the tide of the last German drive in the summer of 1918.

The first school to train partially disabled soldiers, sailors and marines in handling airplanes has just been opened at College Point, Md., under the auspices of the Vocational Training Board. It is the only school of its kind in the United States. The course, which will be of one year and will be paid by the Federal government,

will include airplane engine mechanics, airplane rigging, construction and repair, electricity, wireless telegraphy and photography.

Among the new devices being developed by war experts in France, is a shell propelled by a series of explosives after it is

sent into the air from the mortar. These explosives are timed so that the shell continues its flight many times farther than the ordinary gun would drive it. It is believed that this device will be so developed that a shell can be driven 100 miles before it reaches the limit of its original elements of

destruction when it is exploded within the lines of the enemy.

**Liggett's Famous Candies
GILBERT'S Drug Stores**

Mrs. F. M. Roerts was a shopper here yesterday from Chapin.

VISITORS FROM FRANKLIN

"Quick Meal" Gas Range with the "Lorain" Oven Heat Regulator
Will Give Demonstration Daily

He will cook Complete Meals, consisting of five and six items, in the oven at one time, without watching, and every article will be perfectly cooked.

Everybody is invited. Don't fail to call and see this wonderful stove in operation.

BRADY BROS.

Everything in Hardware and Paints

You can cook a whole
meal in the oven with

LORAIN
OVEN HEAT REGULATOR

Whole meal cooking in the oven was made possible by the invention of the "Lorain" Oven Heat Regulator which gives you exact measured and controlled oven heats for all kinds of cookery. You prepare the meal, put it in the oven and set the "Lorain" wheel. You can be gone for three to six hours without a worry, as "Lorain" will cook the meal perfectly for you.

No woman who knows the drudgery of hanging over a hot kitchen range preparing a meal but will appreciate the tremendous advantages of whole meal cooking the "Lorain" way. "Lorain" is more economical in gas and food, it saves time, temper and money. It is a boon to all women who keep house.

QUICK MEAL Gas Ranges

are "Lorain"-equipped. These are the handsomest gas stoves made and the most satisfactory for all purposes. Come in and let us demonstrate the new Quick Meal gas ranges with "Lorain."

One easy turn of the "Lorain" Oven Heat Regulator wheel gives you the choice of measured and controlled oven temperatures.
